*Everyone has a life to live,
And it belongs only to the individual.
We all have an era, a generation — a time — to
share,
And it belongs to nobody and to everybody.*

*Our lives, separately, are but a small portion of our time,
But put together, they are the whole of it.
Our time is for living, singly and collectively,
And each life reflects the different parts of our time.*

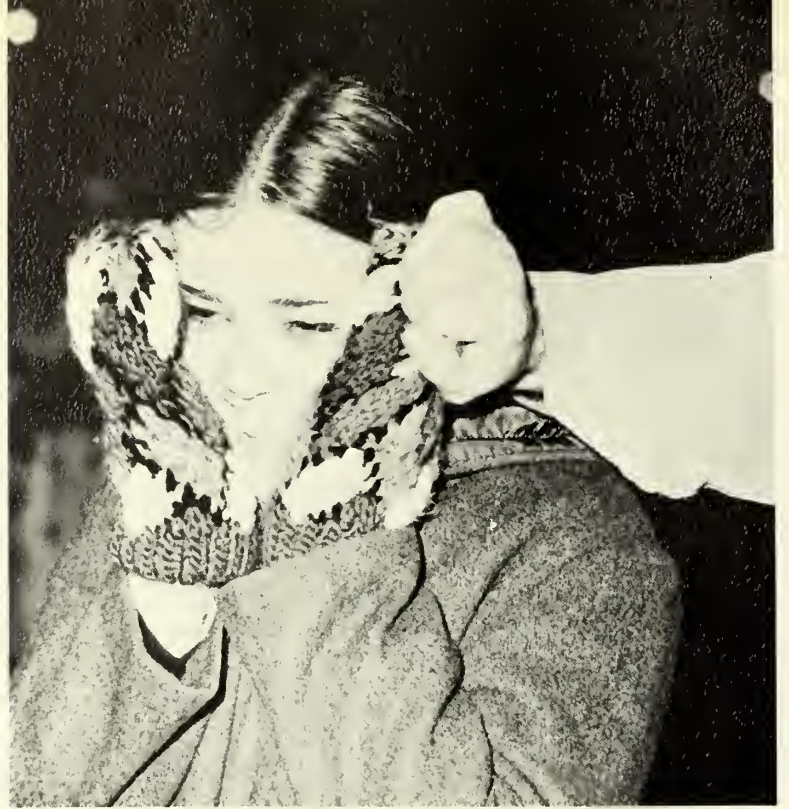

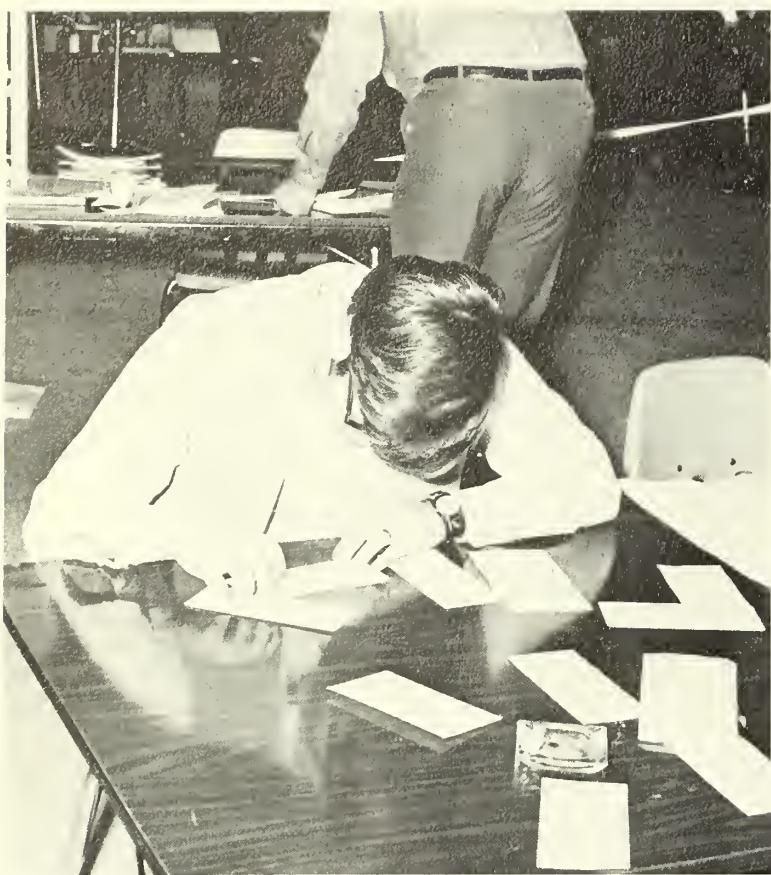

*The joy; the loneliness; the fear.
The triumph; the misery; the love.
The disappointment; the confusion; the grief.
The apathy; the anger; the hope.*

*We are many.
We are one.
We cannot isolate ourselves,
Yet we must retain a private, personal identity.*

*Individuality encourages independence and polarization.
Togetherness promotes security and stereotyping.
Somewhere in between, the answer lies —
How to live together separately, without becoming a row of
numbers: another statistic.*

*We will find the answer.
We must, for we cannot afford
To pass the buck any more.
Now is the time for all good men to come to the aid of their
world.*

*For the days of the lives of our time are far too few indeed
To do all the things which must be done.
Though we cannot satisfy each need,
We must make a start for those to come.*

THE
YEAR

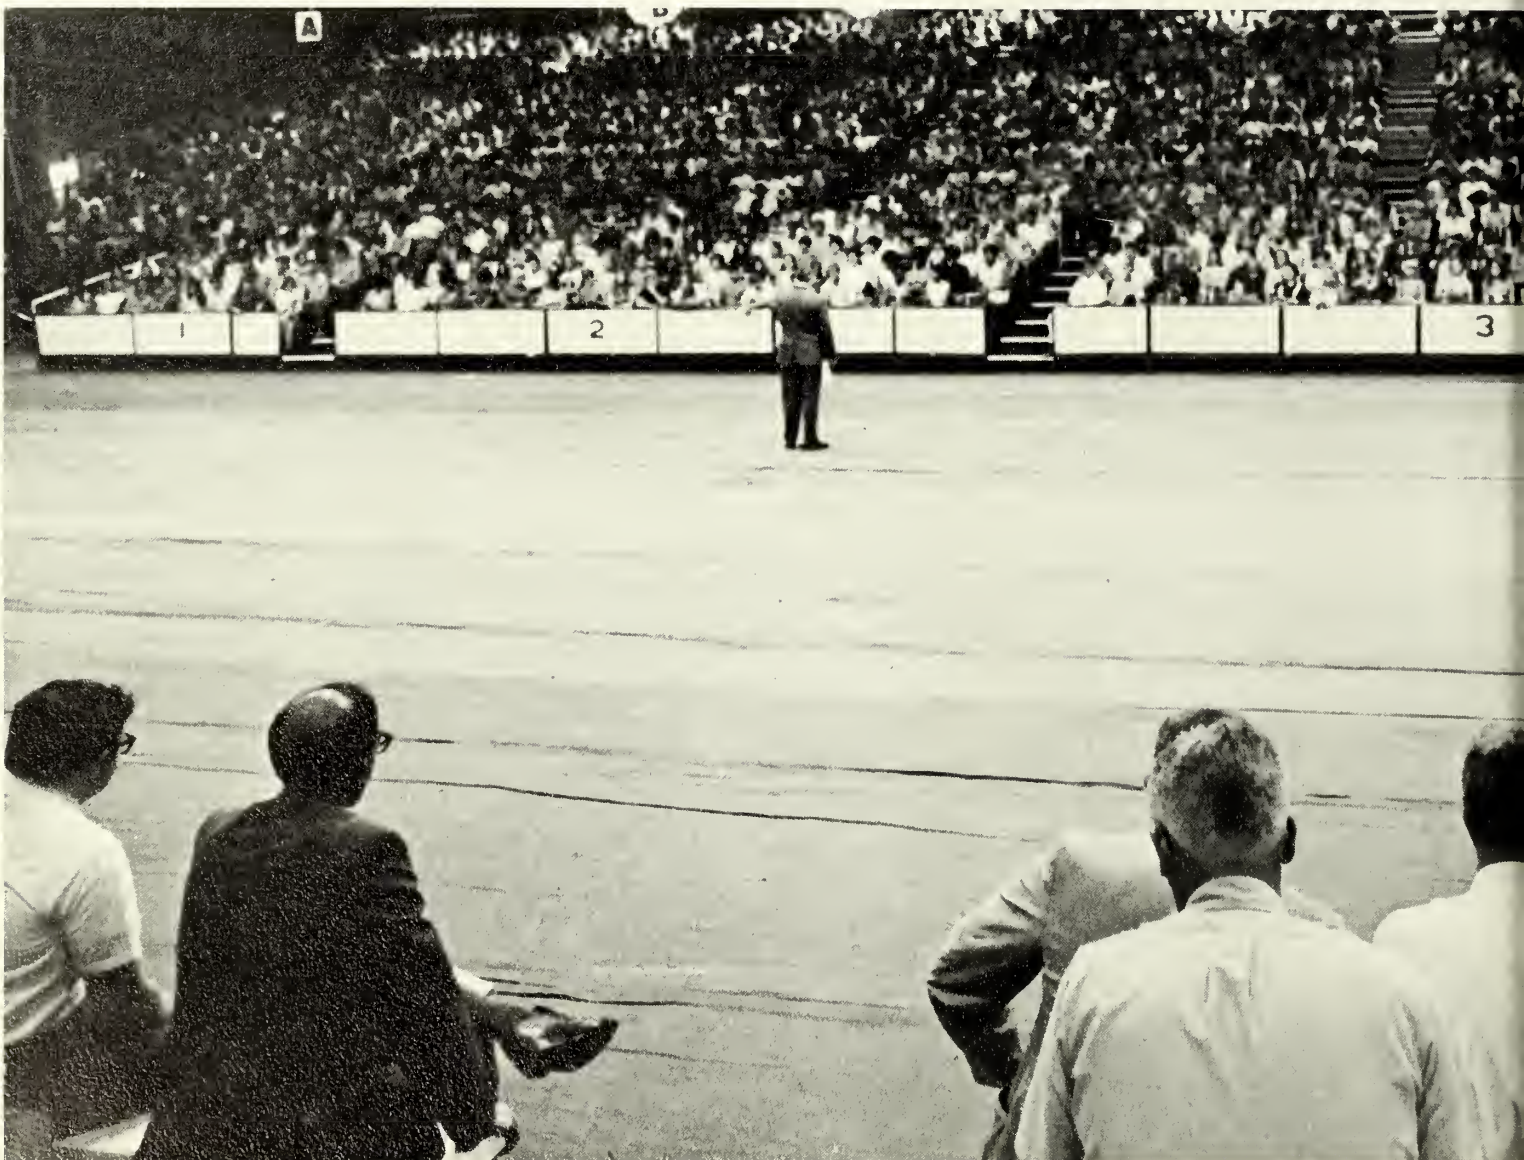

Freshmen Arrive For First Time

During the first week of September the annual herd of confused freshmen arrived at A-State for a week of orientation, some planning to get a higher education, some looking for a husband or wife and some just glad to be "on their own" at last.

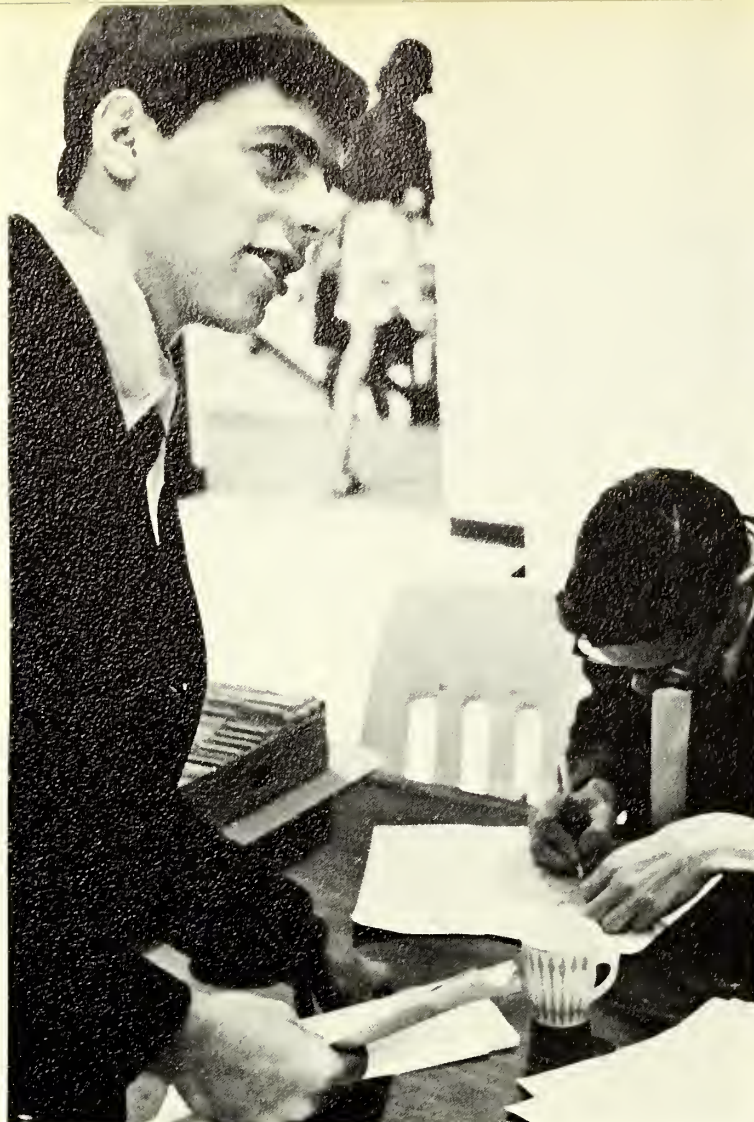

The various meetings began and the students were introduced to their advisers and given a brief counseling before they were faced with registration.

Wearing their little red beanies they were greeted with rules, long lines, hot, crowded assemblies and drawn out lectures.

During the week of orientation many freshmen and some upperclassmen attempted to get acquainted at the dance on the Kroger parking lot and the one in the Ballroom of the Carl R. Reng Center. It was just the beginning — the beginning of a whole new world.

ASU students, both old and new, find the bookstore a test of their physical and mental endurance during registration.

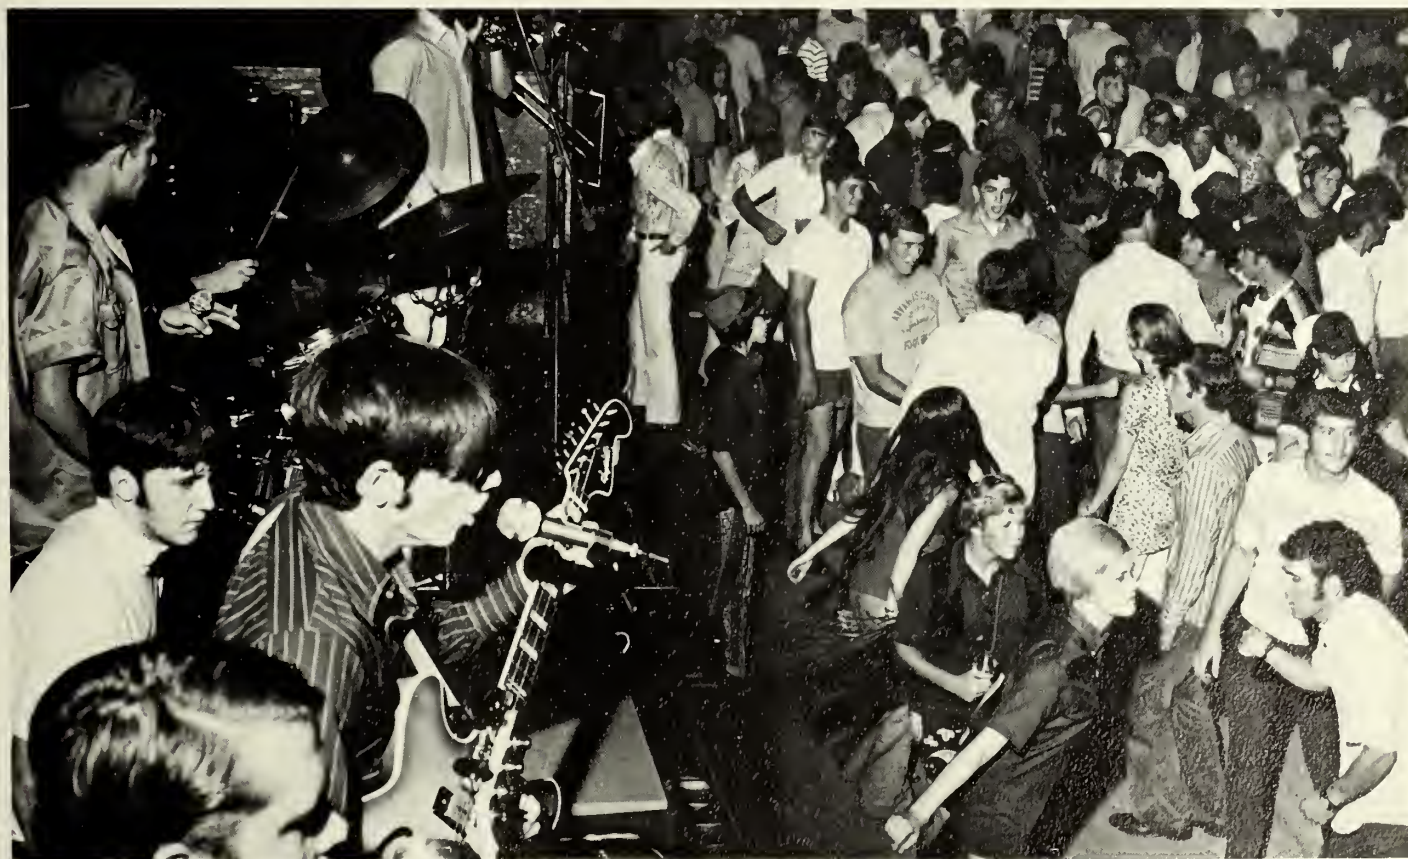

A typical freshman's thought during registration: "Help!"

Freshmen first meet with campus fraternity men . . . the beginning of the credibility gap.

Same School—Same Problems

The tensions of the first few days of orientation and registration are quickly forgotten by those freshmen attending the annual street dance.

Registration—A Trying Time

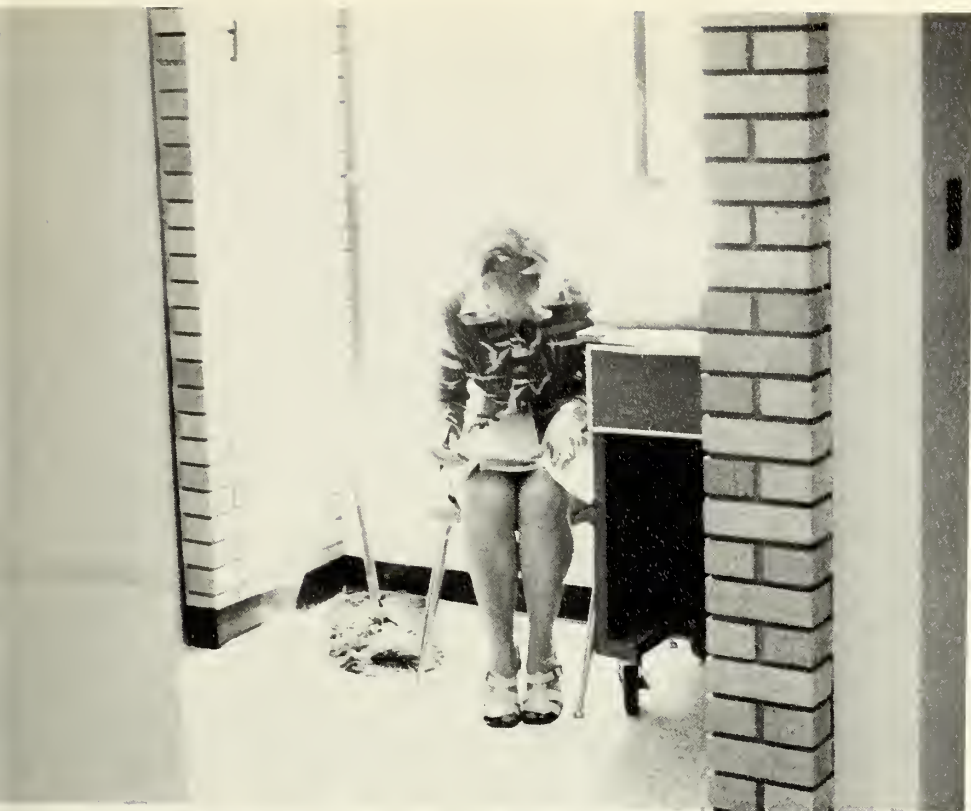

The first days back are always the worst. The veteran student puts off coming back to Jonesboro till only hours before registration while the freshman is thrilled at the new experience!

As 6,103 students made their way to ASU, the city awoke from a peaceful slumber to witness the return of the

masses. Filled with new resolutions of better grade points and loads of sleep, students optimistically faced the new year. Equipped with his packet, a list of "the easiest teachers" and guaranteed "A" courses, each student took a deep breath and began.

ASU instructors find out that registration is a big headache. So what; the students have known that for a long time.

Registration — a trying time . . . registration — a crying time. Sometimes you just have to go off alone and get it out of your system.

Every place has its weirdos. Anyone who can smile at a time like this has to be strange!

Rocky, Bumpers Visit Campus

During the months preceding the November 3 state elections, many politicians, including such "hopefuls" as Dale Bumpers and Win Rockefeller, found their way to A-State to campaign and talk with the students, making many promises as they talked.

A mock election held on campus prior to the election revealed that Dale Bumpers was the favorite A-State candidate.

Many students, including concerned out-of-state students, used their free time and money to campaign for the man of their choice.

Car stickers on automobile bumpers and dormitory doors showed the concern for our state's government by students over and under 21.

Not all the King's horses or all the King's men could put Winthrop back together again after November's balloting.

"Yes, I've been wearing this same suit and using this same smile for years."

Bumpers takes time out from a busy agenda to chat with ASU students.

By coming to visit A-State, Bumpers hoped that people around here would forget that he was a Hog fan from way back.

Bob Risby, SGP presidential candidate, picks a rabbit as his mascot. The rabbit is on the left.

Foolish names and foolish faces . . .

Spring Brings SGA Elections

SGA elections began with the announcement of party candidates. SGP nominated as candidates Bob Risby, president; George "Jersey" Williams, 1st vice president; and Susan Penix, 2nd vice president.

USM nominees included Johnny Horton, president; Sam Jolly, 1st vice president; and Patti Jo Warr, 2nd vice president.

Actual elections got underway at 8:30 a.m. at the Carl R. Reng Center on Tuesday, April 21, and were completed at 8:10 that night.

The number of students who voted increased by 500 this year to 2,007. The USM won all but four SGA positions including the three major offices. The SGP won three and independent Jo Ella Reed took the fourth position.

USM Captures Major Offices

Gordan Metzgar (right) congratulates newly elected SGA President Johnny Horton as the balloting total is announced.

Candidates and supporters find the front steps to the Reng Center to be the ideal spot for last minute campaigning.

As in the past, voting was departmentalized, each student voting according to his major. Several voting machines, as well as the traditional ballpoint pens, were used in the voting.

Rivers Is Fall's Big Attraction

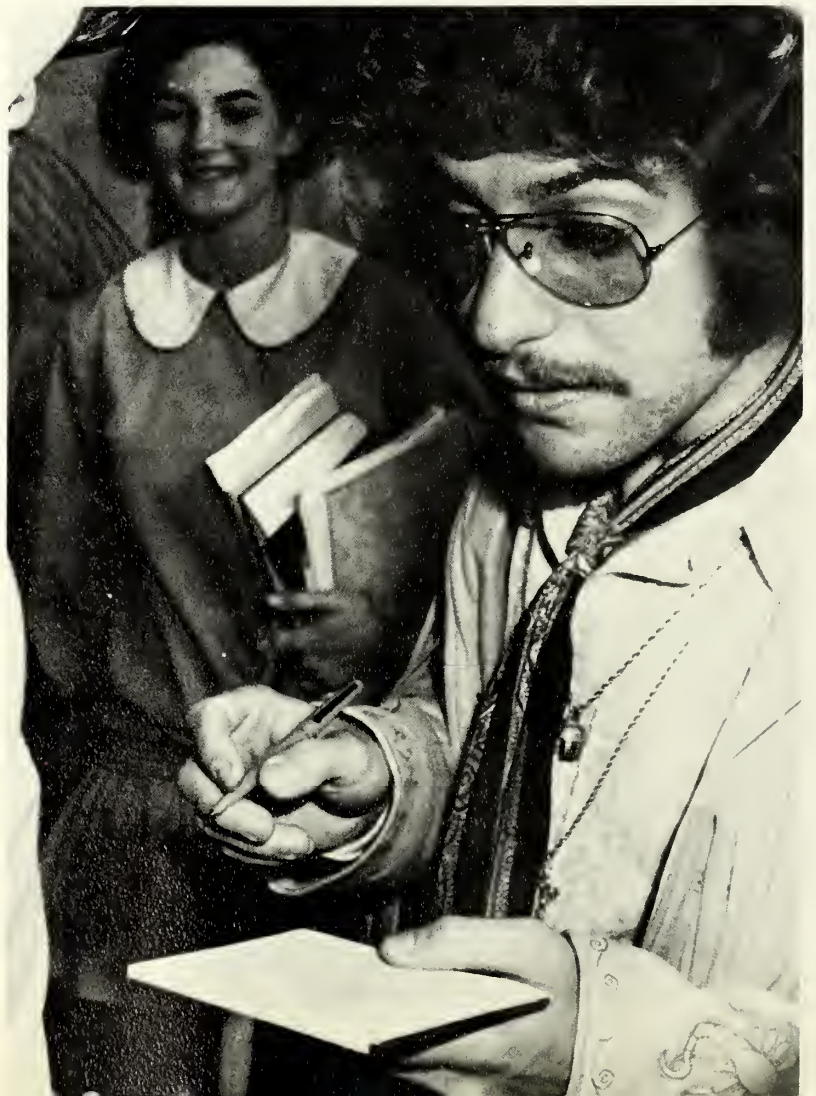

Recording star Johnny Rivers, who zoomed to the top of the recording field with his single, "Memphis," was the first attraction of the Student Government Association's concert series.

Rivers met with students in the Wigwam the afternoon of his stage appearance and answered questions and played some of his music.

Later that night, in Indian Field House, Rivers performed to the delight of the capacity crowd, most of which had to leave before the program was over in order to get back into the dorms before the bewitching hour.

Autographs, autographs and more autographs . . . Rivers didn't realize what he was getting into when he agreed to talk with students in the Wigwam prior to the concert.

Harris Wins AGD Talent Show

Alpha Gamma Delta sorority collected about \$300 for charity at their annual AGD Talent Show. Missy Harris, representing the Women's Recreation Association, won first place, singing "Love on a Two-way Street" and "This Summer Night," an original composition. Sigma Alpha Iota, national music fraternity, won second place with a sextet rendition of "California Dreaming." Third place went to Kappa Kappa Psi, national band fraternity. The group played "Wichita Lineman." Pat Young, president, and Jan Harrell McGee, emcee, presented trophies to the winners.

WRA's Missy Harris picks and grins her way to a first place trophy.

The AGD Talent Show proved to be the showcase for all kinds of talent — the skills of the KKPsi entry to the hilarious, high-stepping highjinks of one of the sororities.

Friday afternoon arrives and ASU students head out in all directions. Some pack up and head home to Momma

T. G. I. F.

. and some find a fluid drive to the Greene County line much more refreshing !!!

Chi O's Capture Little Olympics

Again it was Pike: "Little Olympics" and time for the A-State sororities, all but one intelligent group, to make complete fools out of themselves, dropping eggs, throwing pies and rolling around in the mud. Other "ladylike" activities included killing a coke and smoking a cigar.

The Chi O's captured their second "Little Olympics" title, with Phi Mu's winning second, followed by the AOPi's for third place.

The day's activities, kicked off with a parade of participating fraternities and sororities, and of course the fire truck, and ended on a very dirty note.

The Pike Little Olympics . . . or . . . What's a nice KD like you doing in a place like this?

Sig Ep, AOPi Win Songfest

Phi Mu sorority and Sigma Phi Epsilon fraternity captured first place honors in their respective divisions in the annual Alpha Omicron Pi Songfest.

The Phi Mu's, directed by Beverly Robertson, Crystal City, Mo., sang a melody from "The Graduate" and "Green Cathedral." Gary Reed, Sig Ep from Pine Bluff, directed his fraternity in their winning numbers "Wichita Lineman" and "Battle Hymn of the Republic."

All proceeds from the annual event go to the Arthritis Foundation.

LR Game Provides Wild Weekend

Again A-State students, Indian fans and anyone looking for a "good time" invaded War Memorial Stadium, Little Rock and various hotels October 3 for the annual Little Rock game. Revenge on The Citadel was the word.

The day's activities started with a free dance in a downtown Little Rock parking lot. A disk jockey from KAAV radio station in Little Rock emceed while Jonesboro's own "New Castle Blues" provided the music. The cheerleaders and band showed up for a pep rally completing the afternoon's activities.

Those who went to the game cheered the Indians on to victory, visited with old friends, then joined the ones who never made it to the game at the various parties celebrating the occasion.

The next day students, sleepy and hung over, made their way back to Jonesboro, already making even bigger plans for next year.

Fullback Marshal Walls signals another touchdown as the Big Red Machine rolls over The Citadel.

Go Indians go! This is one of the (few) sections of the crowd which is sober enough to realize that there is a football game going on.

A happy coach . . . a happy cheerleader. What else is there to say?

The victory celebration started early. These loyal fans didn't even wait for the game to begin.

L-C Series Features Scali, Russell

Bill Russell, noted former player-coach of the Boston Celtics, and John Scali, award winning Washington commentator for ABC News, were guest speakers at ASU's Lecture-Concert Series for the fall semester. Russell presented a lecture entitled "Russell Raps." During his twelve year tenure with the Celtics, Russell led his team to ten world championships. He was the first player-coach in Boston sports history and the first Negro to manage full time in a major league in any sport. Sports Illustrated named him Sportsman of the Year in 1968.

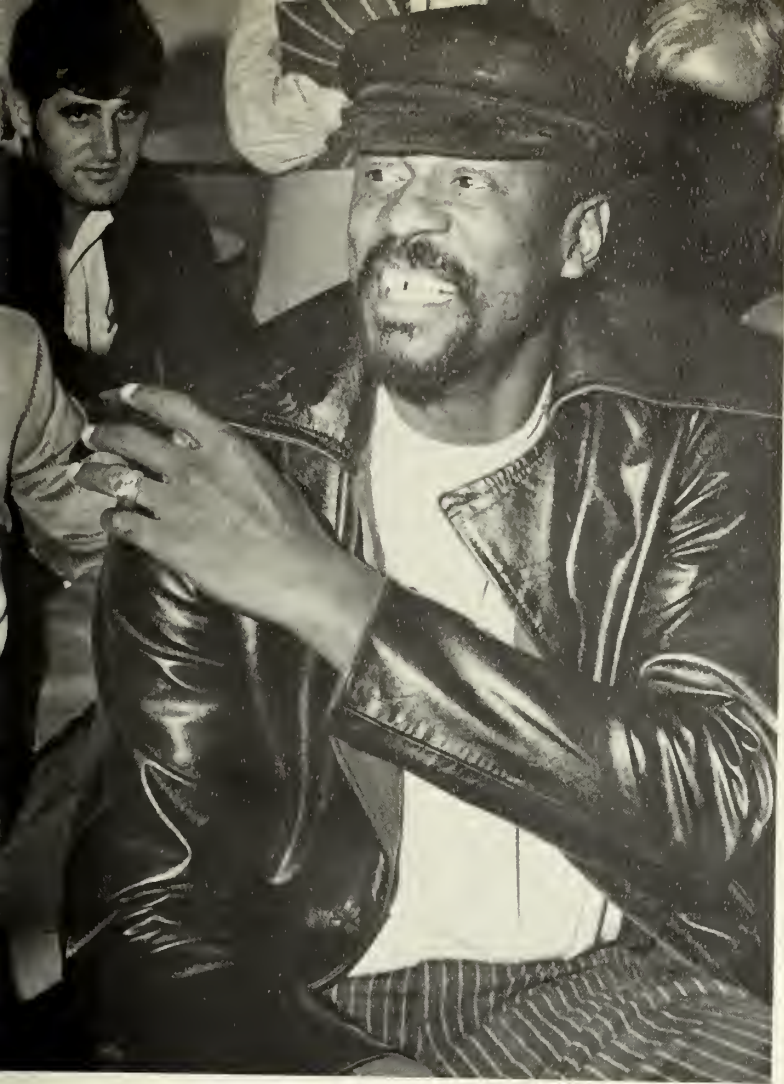

Currently John Scali is also involved with the people as the anchorman for ABC's "Scope — The Vietnam War," the only network show which weekly examines the Vietnam war in depth. He spoke on "Beyond Vietnam," and "Washington Wonderland — The Particular View from the Nation's Capitol."

Dean Moore escorts Russell to the ballroom for his speech. Russell (right) chats informally with ASU students.

Many long hours of rehearsals went into the making of some of the Phi Mu Playhouse productions. Here the KD's, ATO's and Pikes rehearse a scene from "Sorry, Wrong Number."

Phi Mu Stages Playhouse

The Greeks were at it again. The event was the annual Phi Mu Playhouse, sponsored by Phi Mu Sorority.

The playhouse, a series of four sketches is presented each year by various sororities and fraternities to raise money for the Phi Mu's philanthropic project the S. S. Hope.

The four plays performed were "Arsenic and Old Lace", presented by Chi Omega, Kappa Alpha, and Zeta Tau Alpha. Shakespeare's, "A Midsummer's Night Dream," was presented by Alpha Omicron Pi, Lambda Chi Alpha, and Tau Kappa Epsilon. Alpha Gamma Delta, Sigma Pi, and Sigma Psi Epsilon joined forces to present "Don't Drink the Water." The fourth group, composed of Alpha Tau Omega, Kappa Delta and Pi Kappa Alpha, performed, "Sorry, Wrong Number."

"Arsenic and Old Lace" was selected as best play by the judges. Candy Ashby, Chi Omega, was selected "Best Actress", while John Reynolds, Sigma Pi, acted his way to "Best Actor."

Museum Continues To Grow

ASU Museum is completing 35 years of continuous service to the student body, staff and public. From a series of wall cases in old Wilson Hall full of interesting travel memorabilia, it has progressed to its present crowded and busy life in Dean B. Ellis Library.

Since 1960, it has truly been student-evolved and student-involved. All installations and labels, much of the art work and constant maintenance of old and new acquisitions are student contributions. A student part-time labor budget allowance and college work-study engages the best efforts of talented students.

Attendance of students is still more limited than desirable but it forms 10 per cent of the 15,000 recorded attendance in 1970. Student services in the mass media on campus have consistently forwarded the museum's place in the news and have helped it reach noteworthy recognition within the Southeast Museum Conference.

Students Take Part In Opera Workshop

The Opera Workshop's annual presentation this year was a program consisting of three scenes from the major operas "Carmen" by Bizet, "The Consul" by Menotti and "The Marriage of Figaro" by Mozart. Completing the program was a one-act contemporary opera by Ralph Vaughn-Williams entitled "Riders to the Sea."

Twenty-five voice students from the Division of Music participated in the two performances, each of which was enjoyed by large audiences. In its third consecutive year of operation, the Opera Workshop has become an integral part of ASU's yearly activities.

Number 1 Spirit For A Number

Pep rallies were again put in a new setting this year when they were moved from Kays Stadium to the parking lot behind University Hall. The move proved favorable by the attendance. While the cheerleaders tried to arouse school spirit and involvement, the Marching Indians provided the instrumental spirit. The Indian Fami-

ly appeared while the Indian Brave did his thing, and various speakers were heard. An attempt was made to sing the Alma Mater and a Razorback ride made the 10:00 o'clock news. Wonder where the pep rallies will be next year?

Campus officials answer questions in the second SGA sponsored Campus Forum. Scott Rowell acts as mediator.

A series of campus forums sponsored by the SGA was held in the fall to air and solve campus problems on both sides of the fence. The panels, involving Jonesboro city officials, Dr. Reng, the college deans, and the faculty senate found themselves subject to the same old questions. Compulsory ROTC once again found itself the target of a vigorous attack that sought to abolish it as a requirement for male graduates. Teacher tenure and the causes for teacher dismissal were again rehearsed. Food Service was questioned on the way the cafeteria was run.

The forums were presented in an effort to get students involved and to air their grievances; although every problem was not answered the forums were a beginning. Perhaps they were successful in easing the communication gap.

The AOPi's were smart enough to do all the work they could inside, before venturing forth into the cold, November night air.

Dean Robert Moore greets A-State alumni at the Saturday morning coffee while News Director Tom Manning grins foolishly in the background.

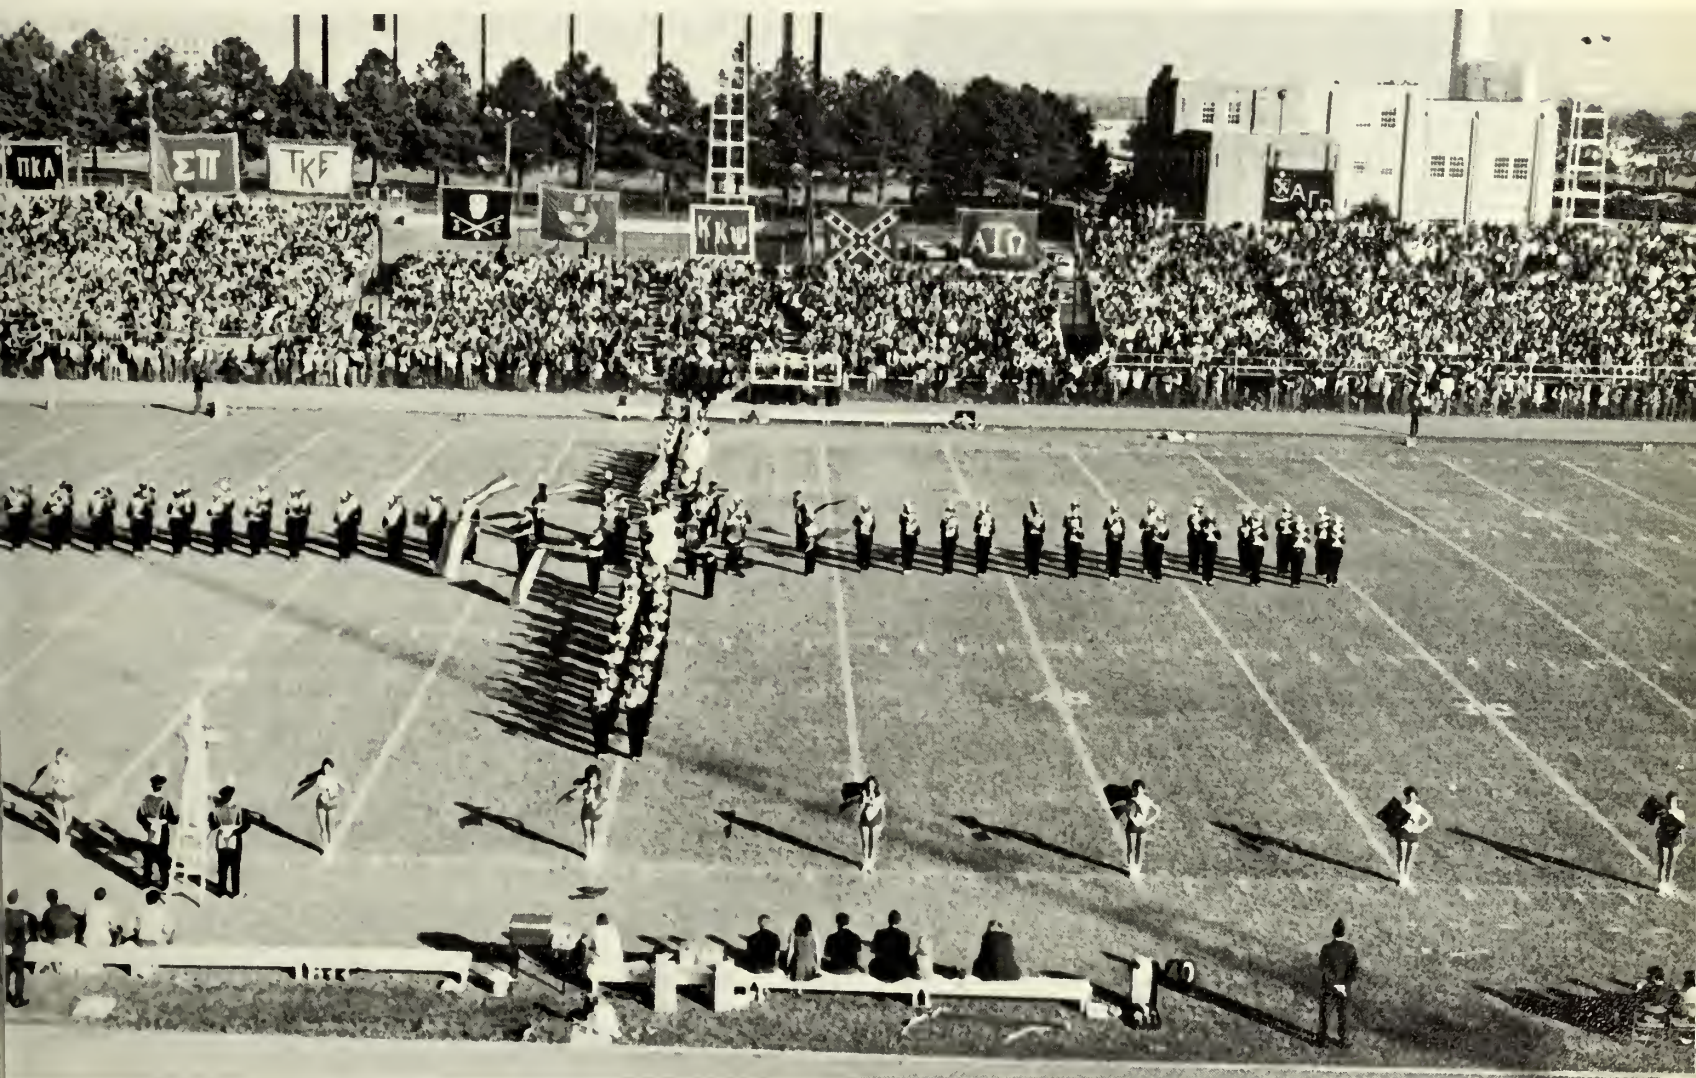

Homecoming '70—Spirited!

Homecoming always ranks as one of the top rally times of the year. Since an Indian football game is always the perfect justification to "let it all hang out," all you have to do is add a meaningless word like "homecoming" and there are no limits to the partying!

The festivities at ASU began as usual with the selection of another queen with about 100 people doing the

choosing. The real "nitty gritty" began with work on the traditional displays. Students suddenly donned uniforms of sweatshirts and jeans, later laced with the smell of wood smoke, and began the four-day ordeal. For some it paid off . . . The Indians won, The Rascals didn't cancel, and the parties were "spirited." Homecoming 1970.

The nationally famed "Rascals" provided the Homecoming concert entertainment, appearing in Indian Field House before a large student crowd.

With "Sodas" in hand and license plates held high, ASU fans let everyone know who's the number one team in the nation.

The Sigma Phi Epsilon Homecoming display entry, "ASU — No. 1," captured first place in the mechanical division.

Thespian Skills Developed In Speech & Drama Productions

The University Theatre season opened with the theatre of the absurd drama "Rhinoceros." Soon after the appearance of a rhinoceros the inhabitants of a small French town start turning into rhinos and by the end of the play all the inhabitants had made the change.

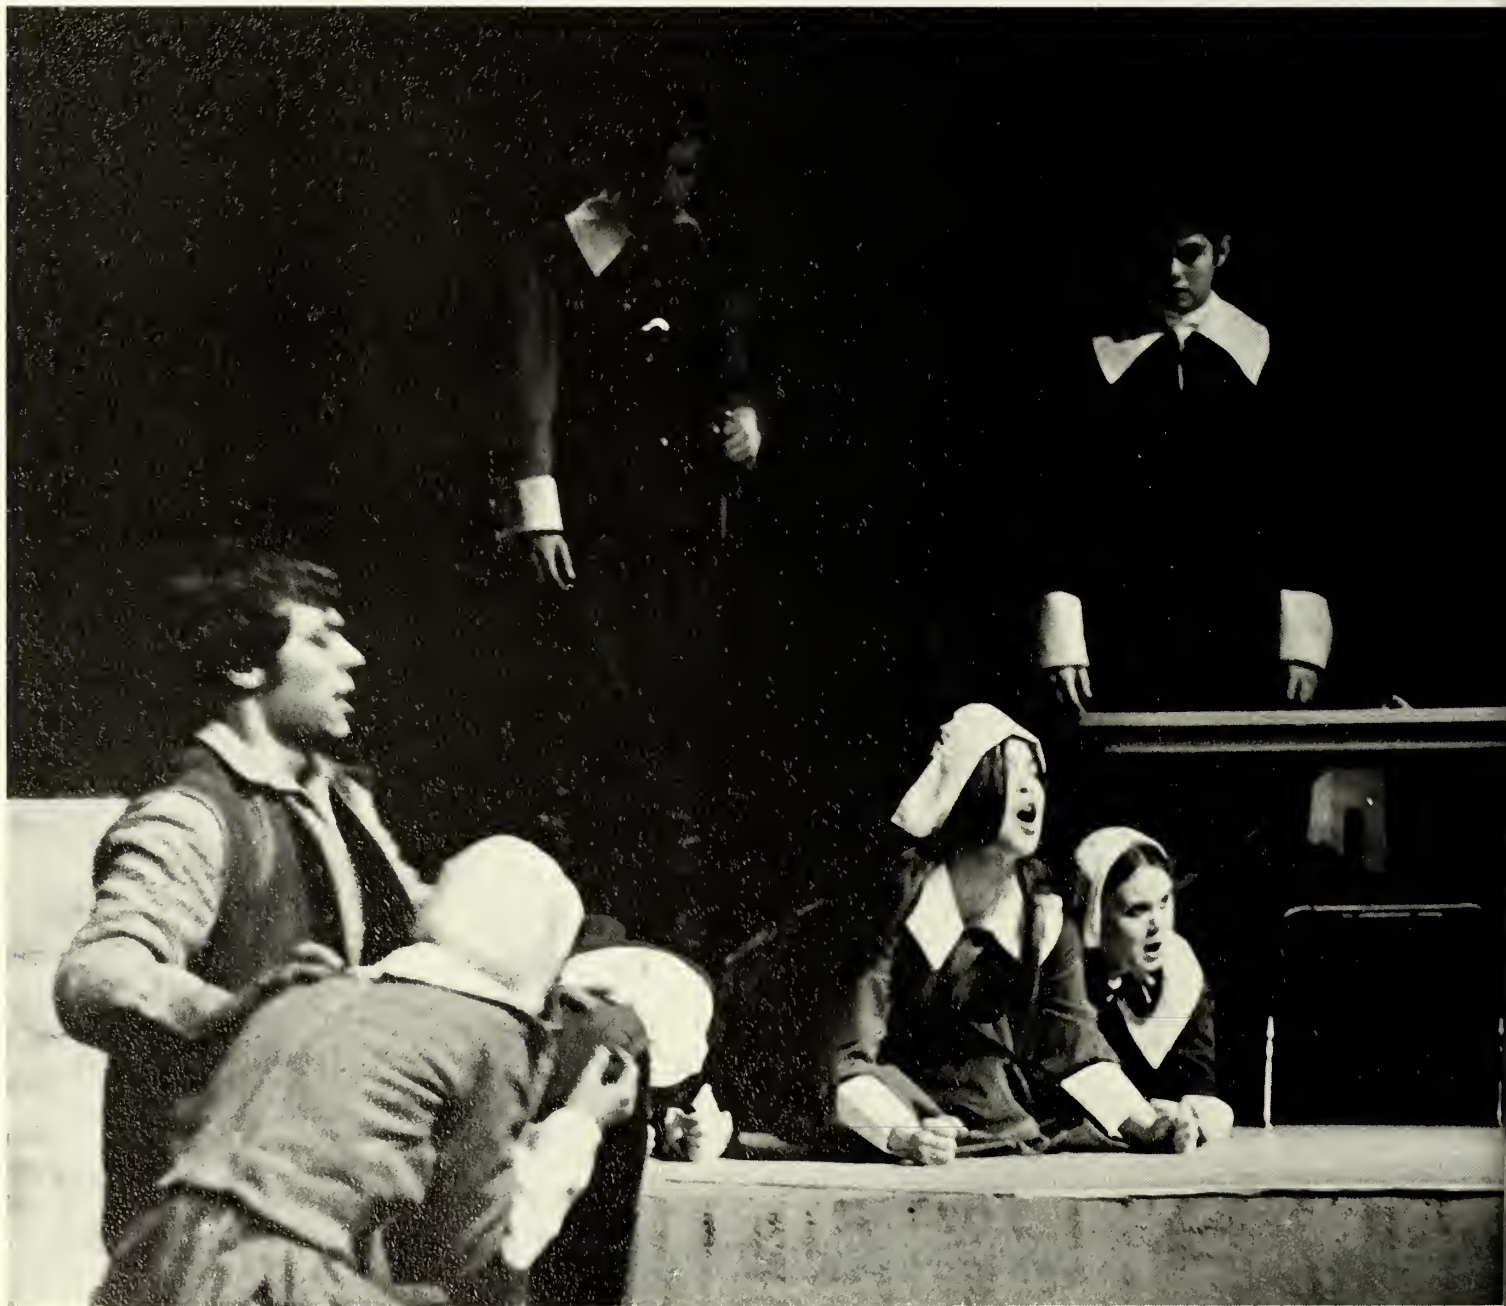

The second major show of the season was Murray Schisgal's "Luv." The comedy is about love, divorce, rejection and rejuvenation — on a bridge. Terry Huckabee directed both "Rhinoceros" and "Luv."

"The Crucible," a drama about the Salem witch trials,

was directed by Thomas Reppart and presented by a 23-member cast.

William Inge's "Dark at the Top of the Stairs" was the closing show of the University Theatre. The drama is about middle-American family life in the oil boom of the 1920's. Hugh Hookway was the director.

Thomas Reppart also directed two Chamber Theatre productions, "A Pacifist in Athens" and a program of poetry which was written and performed by a group of Jonesboro grade school students.

The faces of Arkansas State cheerleaders appeared on television sets throughout the Midwest during the Pecan Bowl. ABC broadcast the game regionally.

The Mules never had a chance. But with a defense like this, and an explosive offense to match, who would?

State Takes Second Bowl Win

PECAN BOWL BOUND . . . again. Attendance at the Pecan Bowl increased this year with groups working to save money so they could charter a bus and join the ones who loaded their cars and drove down to Arlington, Tex.; to support the Indians in their third straight year at the Pecan Bowl.

While back at Jonesboro everyone sat glued to the television or radio listening and hoping for another victory. Victory came again for the Southland Conference champions over the Central Missouri Mules.

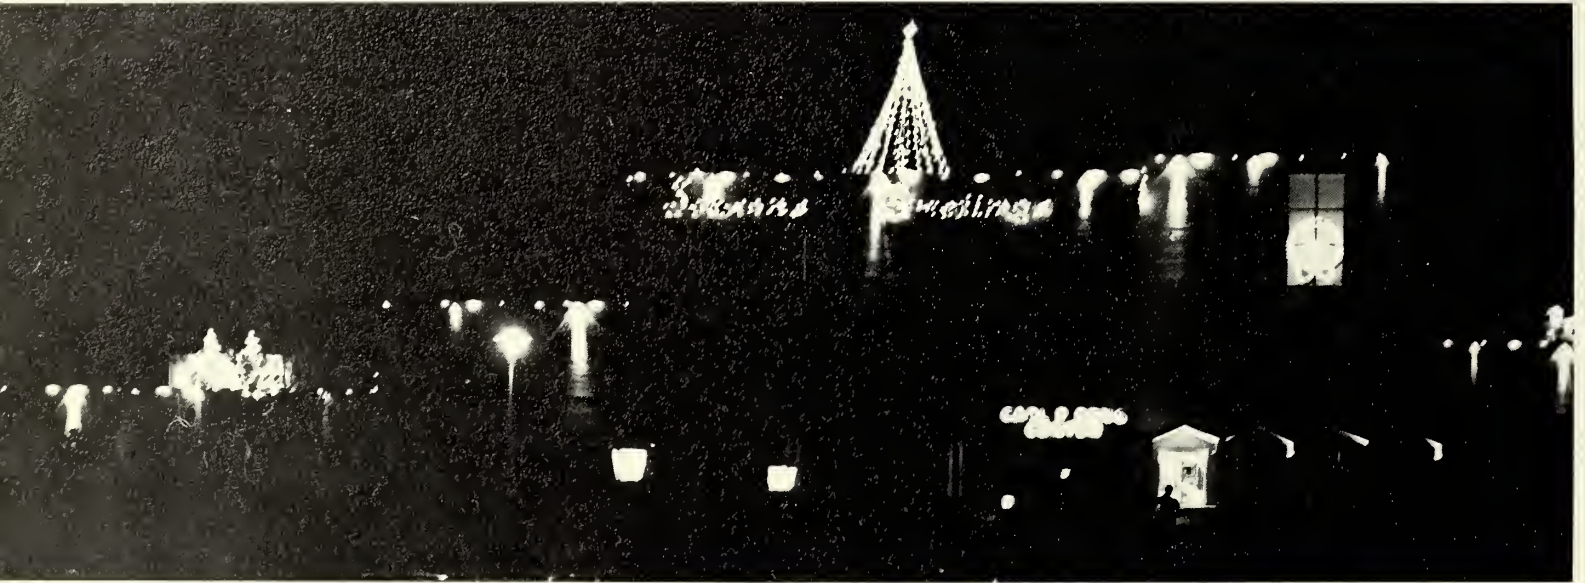

A victorious football season for the Indians was over. Spring training wasn't far away. Everyone was proud — we were No. 1.

Christmas Invades ASU Campus

Everywhere you went everyone was smiling, laughing and exchanging cheerful greetings. Truly Mr. Christmas Spirit had come to ASU. The Reng Center, beautifully outlined in colored lights, a gaily lit tree on top, and of course ole Santa and all his reindeer, including Rudolph, added to the gaiety. On the Reng Center lawn different groups participated in the annual Carol Sing, eager to get inside for

the free doughnuts and hot chocolate. Many groups did their thing again in the Christmas parade and showed the true meaning of the season by the many parties given for needy children and families. Together roommates went out and found the perfect tree to decorate, friends, old and new, exchanged gifts, and strangers said "Merry Christmas."

Dean "Santa" Moore does his traditional job.

The jocks have got the spirit.

Some ASU students got a little more caught up in the Christmas spirit than others. Here, a spirited Santa, complete with an equally spirited reindeer, arrive at a fraternity party.

Liz Watson sings Christmas carols on the Reng Center lawn.

If you've got it, flaunt it ! ! !

Bring me your tired, your poor, your huddled masses . . . but most of all, your two bucks!

Some groups found that "force" was the best way to get pledges.

How many times will this young lady think "What the hell am I getting myself into?"

Rush Brings Strength To Greeks

In addition to the flowers and the birds that appear in the springtime, so do the fraternities and sororities. Coming out of a long winter's sleep, the various Greek groups begin devouring everyone in sight, trying to replenish their rapidly dwindling strength.

This spring's rush went exceptionally well, especially for the fraternities. Finally given the chance, many of the

rules which had plagued the fraternity rush procedures for many years were finally done away with. The most important change was the IFC's approval of a non-deferred rush system. In other words, a rushee wanting to pledge could have not only a low mentality, but also the grade-point to prove it!

If the girls didn't come to the rush parties, who would the members be able to impress other than themselves?

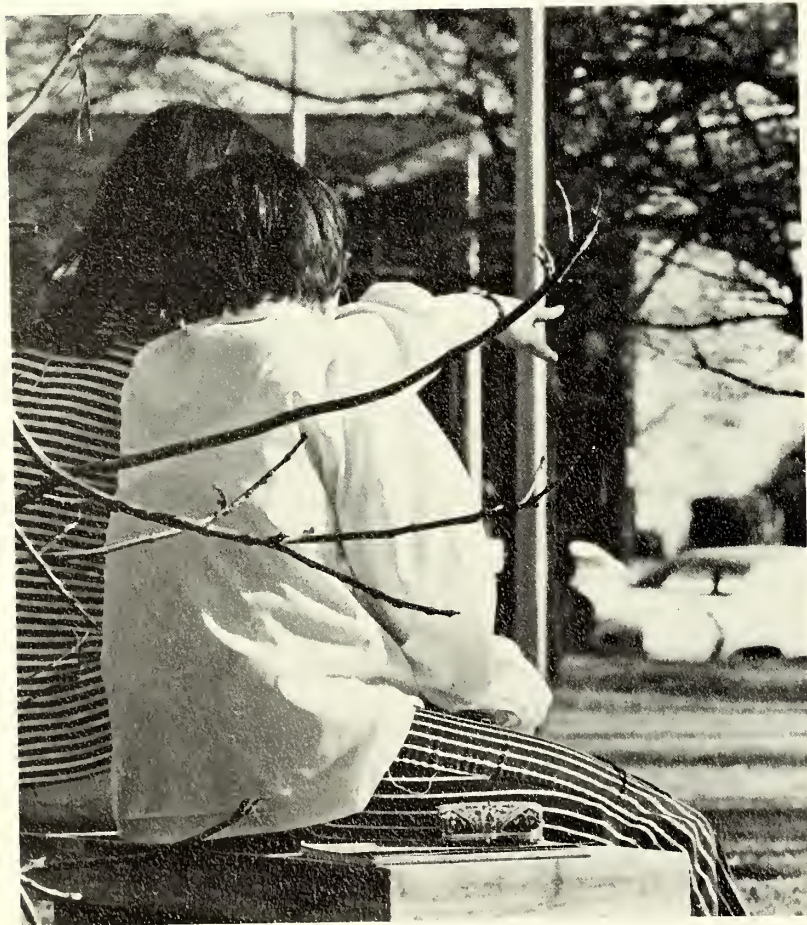

If these coeds find Panhellenic rush sign-up frustrating, just wait until the parties.

Student Life On Campus Is Varied

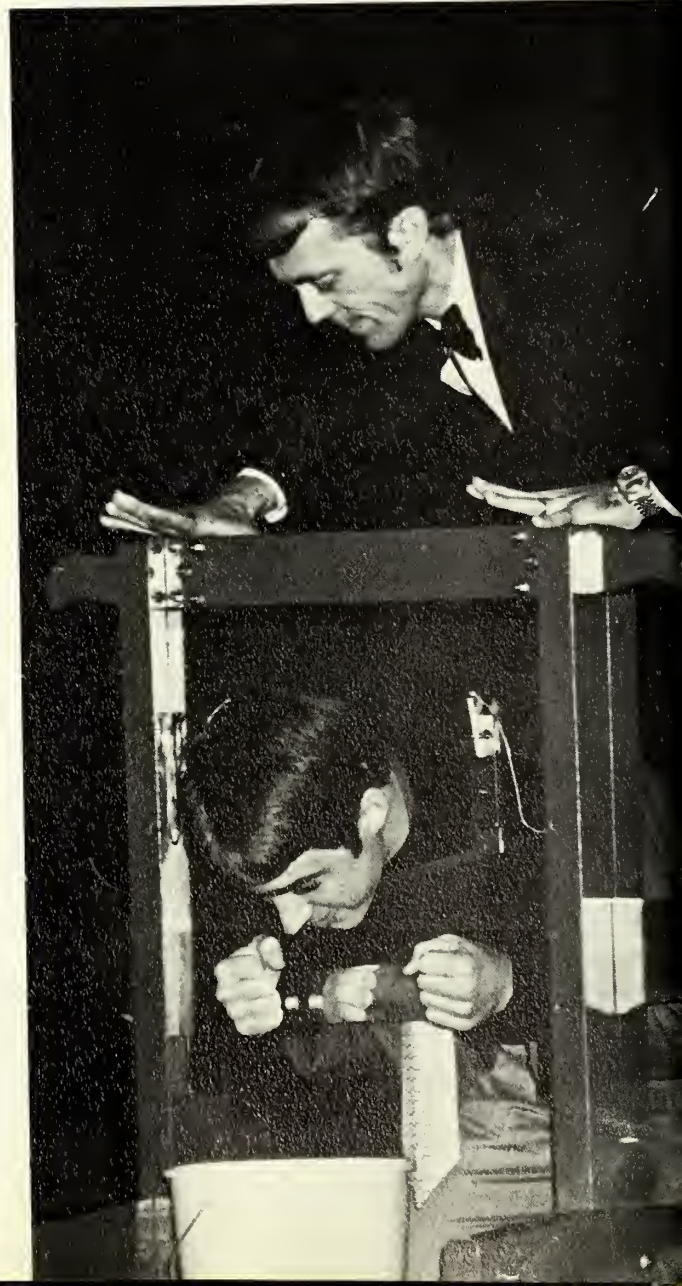

"We're not asking you to read it, just sign it!"
ASU students were besieged on all sides by petitions for every possible cause.

Quiet moments like this came few and far between for most students.

Some students lost their heads over the various campus speakers and programs, like Andre Kole's magic act sponsored by the Campus Crusade for Christ.

"Merrily we march along . . ." Students (top photo) were constantly amazed by the way it rained only during class changes.

The Wesley Foundation Coffee House (above) gave students a chance to get together and rap over a steaming cup of coffee and slightly stale doughnuts.

While trying to make their way to class on time, ASU students realize that the yearly snow fall is not nearly as much fun as they had remembered.

The Year's Biggest SNOW JOB!

Many students prove their masculinity by means of a snowball fight. Some male students also take part.

An "abstract" snowman (or woman?) catches attention of passing students.

Icy sidewalks and steps helped prove the old saying, "Getting there's half the fun." . . . if fun involves sprained wrists, broken arms and bruised buttocks.

Brooklyn Bridge In 2nd Appearance

Over 3,000 people filled Indian Field House to watch as the "Brooklyn Bridge," nationally known recording artists, made their second appearance on the Arkansas State University campus. In addition to playing their own hits, such as "Gentle Is The Rain" and "The Worst That Could Happen," the Brooklyn Bridge also presented exciting versions of top songs by other music groups. As in last year's concert, the crowd responded to the driving beat of such songs as "Dance to the Music" by pushing the chairs aside and doing exactly that — dancing to the music. All in all, the two-hour concert was greatly enjoyed by the audience.

Cutting up on-stage, the Brooklyn Bridge's humor added to the evening's enjoyment.

Members of the Brooklyn Bridge (top photo) "get with it" on one of their original compositions.

The students (above) took it seriously when lead singer Johnny Maestro sang "Dance to the Music."

The "spirit" of the band (left) watches over the mass of twisting, gyrating, dancing bodies.

As the Tekes and Pikes battled it out, the "Fingerbowl" court looked on.

Tau Kappa Epsilon Fingerbowl

The Tekes met the Pikes in the annual Tau Kappa Epsilon "Fingerbowl." The Tekes were again victorious over the Pikes. The Teke "Fingerbowl" is the oldest bowl game at A-State. The flag-tag football contest is an annual event looked forward to each year by the fraternities and sororities. Despite the cold wind, attendance for the game was very good. All sororities appeared with their banners to cheer the Tekes on to victory.

Halftime entertainment was provided by the TKE pledges and members, with balloon-bosomed cheerleaders and majorettes.

Lambda Chi Alpha

Little 500

Breaking last year's record, Kappa Alpha was victorious for the third year in the 12th annual Lambda Chi Alpha "Little 500," with their entry, "Rebel Yell."

The Chi O's "Ozzie" won the sorority division for the second year. The Tricycle Grand Prix was also won by the Chi O's.

Sharon Parker, LXA Crescent Girl, reigned as queen of the event.

Graduation Sees 877 Happy Faces

While most students left with a yawn as soon as finals were over, a few students stuck around and were joined by the January graduates for graduation,

May, 1970 graduation found 877 degrees conferred, included among these were 61 graduate degrees, the end product of thousands of dollars and many years of hard labor.

Soon after commencement most of the graduates were seen heading for places unknown.

Dr. Nedrow makes his last official appearance at May's commencement exercises.

After four years of toil and sweat, you finally get that little "piece of paper."

Division of Military Science

Col. Jack F. Riggins
Prof. of Military Science

With voluntary ROTC still under consideration, the Division of Military Science remains intact. The freshmen were once again thrown into a world of drills, manuals of arms, order and demerits. Sophomores moved on to new classes and the advanced course, under the direction of wisened seniors, integrated a certain amount of order into the otherwise helter-skelter confusion of the junior cadets.

When most people think of Military Science, they think only of the drills, cleaning weapons, shoe shining and the other not so glamorous aspects of ROTC. They forget that with it all comes the added grace of the Princess Platoon, the formality of the military ball and the various receptions given for cadet officers.

Indian Family

A man with feathers down his back and his own princess, and a boy with bells on his ankles and a raccoon hung from his waist completes a Number 1 football team.

The ASU Indian family has long been the symbol of spirit for the Arkansas State student body and fans. The Indian family is the uniting factor that joins the many separate groups on campus for one common goal . . . school spirit.

This year a new chief and princess appeared at the teepee. Lanny Johns, Chief Big Track and Barbara Goble, Indian Princess, made their first appearance at the Little Rock game. John Phillips, Indian Brave, was back for another year and many Indian rain dances.

The Indian Family promoted school spirit by appearing throughout the year at games and pep rallies.

Cheerleaders

ASU cheerleaders spent a busy year trying to arouse a sometime apathetic student body into supporting their Number 1 Indian teams. Leading the Indian yells this year were co-captains Martha Wofford and Mike Crow. Under the sponsorship of Mrs. Gladys Hudgins the group attended a cheerleading clinic at the University of Southern Mississippi during the summer. Although the fans were not always able to support the Indians away from home our Indian cheerleaders were our representatives.

ROTC Princess Platoon

The Princess Platoon is an organization of female students who are honorary officers of the cadet corps. Members are elected by the advanced corps, and each girl is assigned to a company and a detachment of the corps.

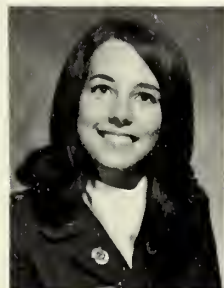

These girls attend the drills of their respective companies, participate in the Christmas Parade and other community functions, are hostesses for social functions of the Division of Military Science and perform other duties ascribed by the division.

Members of the Princess Platoon retain their status until they graduate, marry, resign, fail to maintain a 2.0 overall grade average, or are dismissed for cause by a board of officers.

Herald Changes To Cold Type

Arkansas State University's newspaper, The Herald, continued in its second year of twice weekly publication with a change from hot- to cold-type composition, resulting in a slightly different format for the paper. Written, edited and printed by ASU students, The Herald offers a laboratory for learning newspaper techniques by giving students the knowledge through actual experience.

Fall editors, left to right: Amanda Miller, managing editor; Phil Smith, editor and Andrea Weathersby, managing editor.

Spring editors, left to right: Martha Wofford and Carol Stogsdill, managing editors and Amanda Miller, editor.

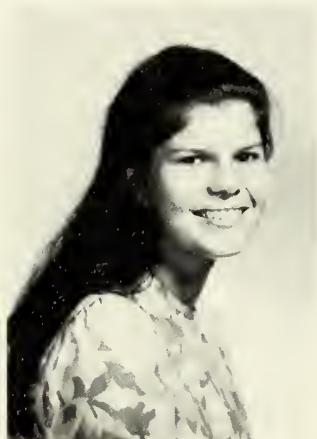

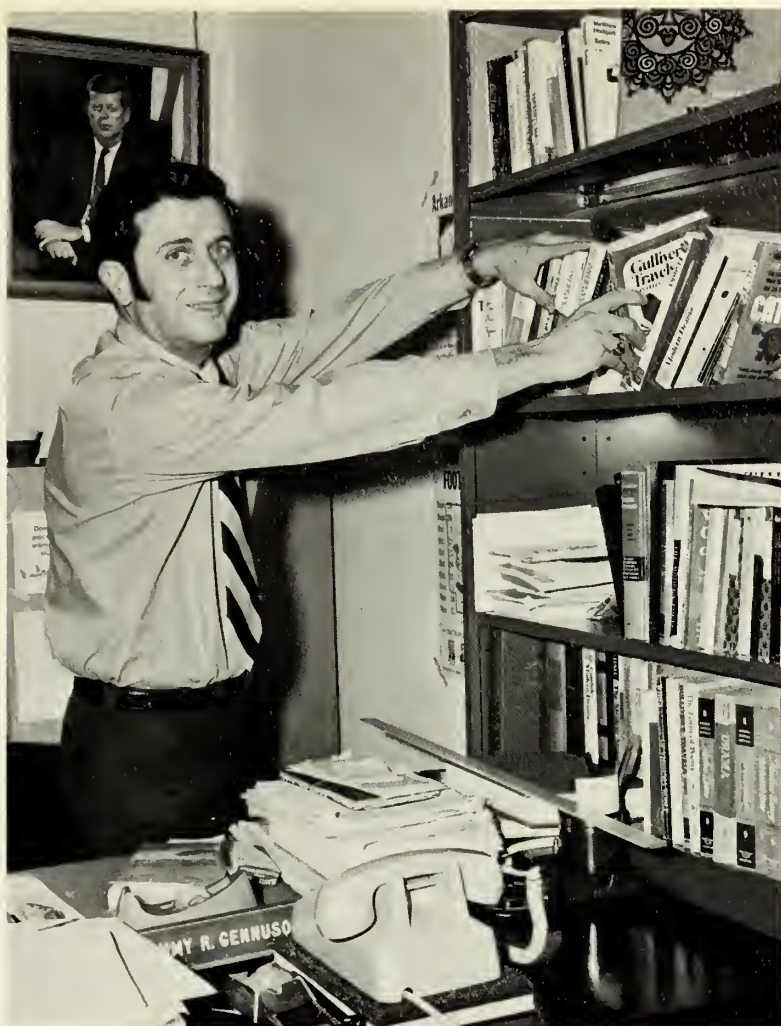

Page one editors (top photo), left to right: Andrea Weathersby, Gerald Ketcham, Lois Ann Tusing, Bob Pope and Cleve Warrick. David Tyler (above) served as advertising manager. Advisor Roy Ockert (standing at left) with news editors Mark Phillips and Jackie Liebhaber.

Right side of table, front to back: James Hollandsworth, Liz Lockhart, Barbara Horton, Pat VanSant, Jerry Dorton and Pam Thurman. Sports staff (above) left to right: Wayne Dorton, Jerry Sharpe, David Cook, Richard Woods, John Reynolds, spring sports editor and Robert Allen, fall sports editor.

Arrow Offers Change

Offering a change of pace from other school publications, The Arrow, Arkansas State University's literary publication, offers students a unique opportunity to express their creative talents. The Arrow is written, edited and arranged by students.

Arrow staff members, left to right (top row): Jim Metheny, editor and Emelyn Whitley, business manager. Bottom row: Lynn Bonham, poetry editor; Jim Hillyer, prose editor; and Susie Cochran, art editor. The Arrow is advised by Sam Gennuso (top photo).

Indian Staff: Wide Range Of Egos

The staff of this year's Indian, like so many of the staffs which preceded it, was composed of a group of inventive, dedicated, talented and highly temperamental people. With so many personality clashes involved in such a staff, one might wonder how everyone managed to make it through the year without killing someone or being killed. The answer is simple, for it is the annual itself which binds them together, enables them to put aside their differences for the sake of the book, to devote all their energies toward making the annual as fine a book as possible until the last page is finished. Then they kill each other.

R

Alpha Gamma Rho is both a professional and social fraternity. It is similar in organization to other social fraternities except that its members are selected from among those undergraduate men pursuing majors in agriculture or related occupations.

Alpha Gamma Rho was founded in the fall of 1904 at Ohio State University. In the spring of 1969, the AGR Club was formed on the ASU campus with the goal of becoming a colony of the national fraternity, which was accomplished the following spring — 1970.

Outside the fraternity, AGR's are active in campus activities, holding offices in the SGA and other campus organizations. AGR is also represented on the ASU football team and members frequently represent the school as Chief Big Track.

This year's officers were: Charles Rowe, noble ruler; Hugh Weatherford, vice noble ruler; Roger Pitchford, recording secretary; Robert Houston, corresponding secretary; Charles Liddell, treasurer; Walker Dunn, historian; Robert English, reporter; Bill Heuer and Tommy Hayes, pledge trainers.

Founded in 1901 on the campus of Richmond College, Sigma Phi Epsilon has grown to a current high of 199 chapters.

Active in community and campus affairs, ASU's Arkansas Gamma chapter annually sponsors the Heart Fund Drive, a Christmas Party for underprivileged children and the SPE Bowling Tournament.

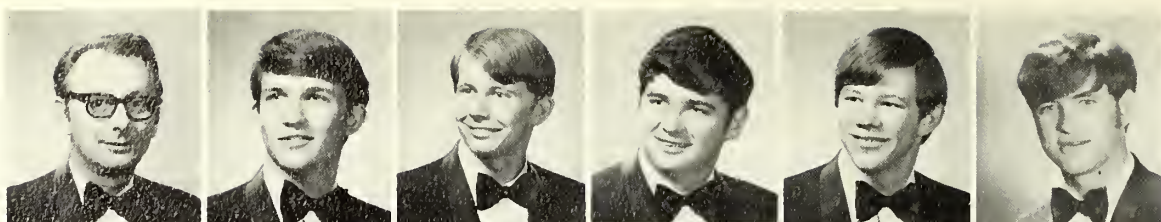

Sig Eps participated in SGA varsity basketball, football, and track. They also took first place in the Homecoming competition this year.

The officers for this year were: Bob Burch, president; Wayne Edgin, vice president; Rick Blackwelder, secretary; Dale Lewelling, recorder; Ken Showalter, chaplain; and Rick Grigsby, pledge educator.

Pi

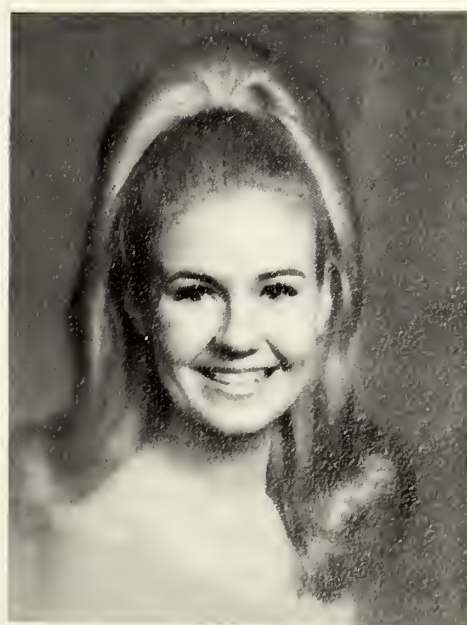

Alpha Pi chapter of Sigma Pi received its charter in March, 1948, and became the first national fraternity on the ASU campus. Sigma Pi was founded nationally in 1897 at Vincennes, Ind.

Sigma Pi is active in all intramural sports and took first place in badminton singles and doubles and second in bridge. Each spring the brothers at ASU sponsor a softball tournament.

Among the members of Sigma Pi are the sports editor of the Herald, members of the varsity football team, including two honorable mention all-SLC players and members of the SGA and IFC.

Officers this year were: Bill Harkey, president; Ed Gathings, vice president; David Thomas, secretary; Steve McBride, sergeant-at-arms; Ronnie McDaniel, treasurer; and Terry Pierce, Herald.

Beta Psi chapter of Tau Kappa Epsilon succeeded in winning such intramural sports as basketball, bowling, archery, golf, and volleyball. In their TKE Fingerbowl they defeated PiKA and they also won the ATO Football Tournament.

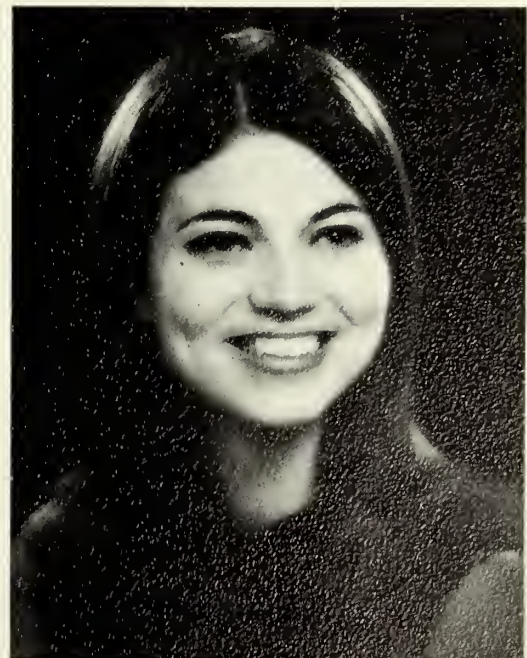

TKE's are represented well on the ASU varsity tennis, track, football and golf teams.

Johnny Horton, a member of Tau Kappa Epsilon served as president of the SGA and other members were very active in the SGA.

Four members were elected to Who's Who in American Colleges and Universities.

TKE's devotion to such charitable organizations and drives as Public Service Weekend aided them immensely in winning the title of top TKE chapter in the nation.

Serving as officers for this year were: Tommy Calloway, president; Stephan Calloway, vice president; Don Speck, secretary; Benny Story, treasurer; Jeff Calloway, pledge trainer; Mike Brown, chaplain; Don Carson, historian; and Ed McLain, sergeant-at-arms.

'70, A Bad Year For Track

A super-human effort by Arkansas State's "Super Chief" Thomas Hill, that netted 23 $\frac{5}{8}$ points, led the Indians to a surprisingly strong third place finish in the Southland Conference spring sports festival.

Hill, who last summer became the fifth man ever to run the 120-yard high hurdles in 13.2 seconds, teamed with other outstanding thinclads such as Cleve Warriek, Barney Hess, Bill Bell and Bob Gray to pace the Indians in their surprising finish after what might be termed a very disappointing season.

Struggling through the season, injury after injury kept the Indians from offering a really successful degree of competition. Hopefully, however, the Indians have established a trend that will spring them back into contention.

Tribe Takes SLC Title

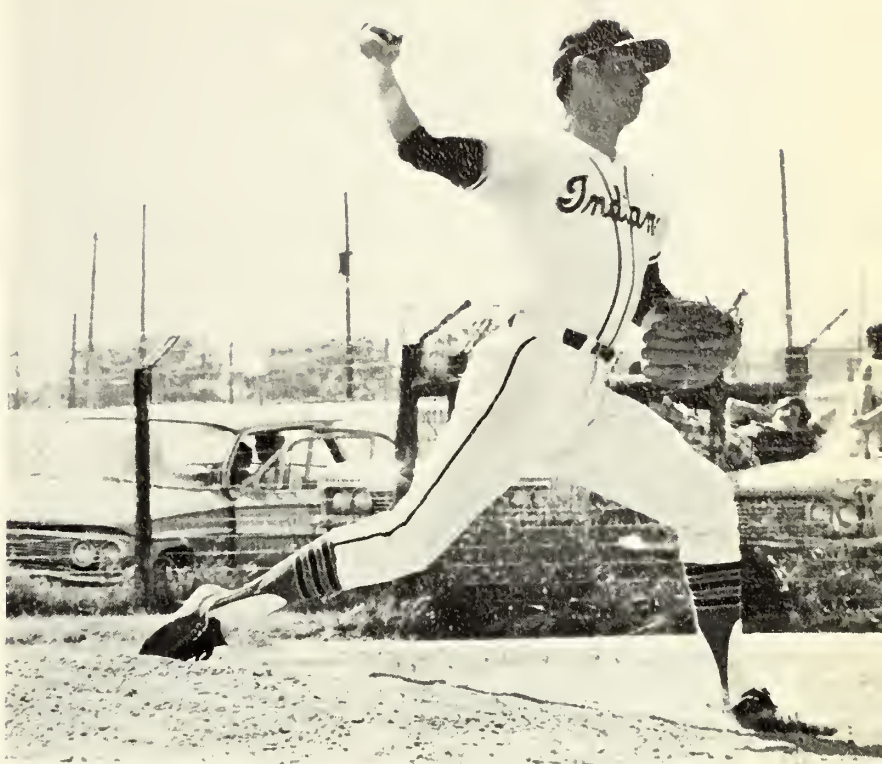

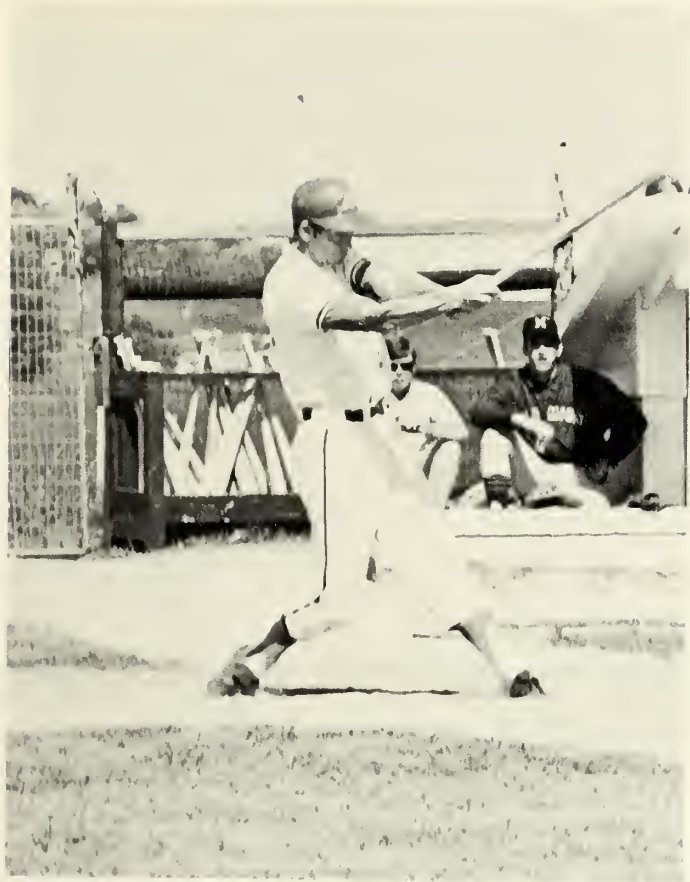

The Indian diamond crew played more or less in spurts during the season, finally emerging with a 16-17 overall record. The Tribe did manage to salvage the Southland Conference baseball title with a 9-3 mark. A three game sweep over Lamar Tech midway in the season followed by a triple win over the University of Texas at Arlington clinched the title for the Tribe.

The Southland Conference championship entitled the Indians to a trip to Austin, Tex., for the University Division District 6 Playoffs. The venture proved to be costly as Pan American and Texas each took turns downing the Tribe. The Redmen fell both times by identical scores of 5-0.

Ace Indian hurler Rusty Bourg went 8-2 for the season and established a new record for career wins as he pushed his overall total to 25. Bourg's eight wins also set a new record for most games won in a single season.

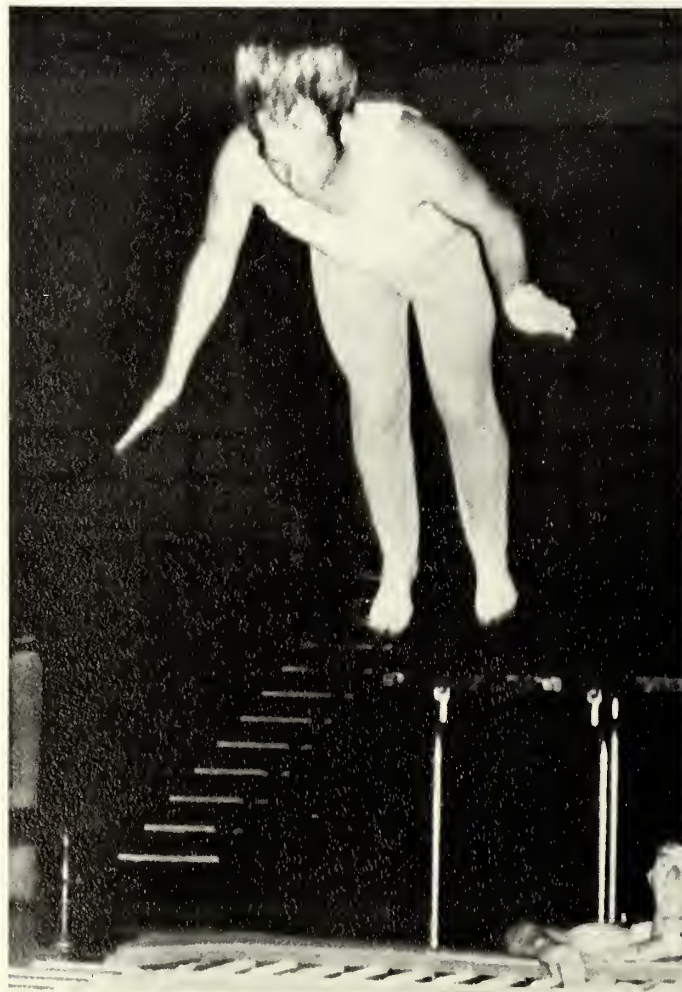

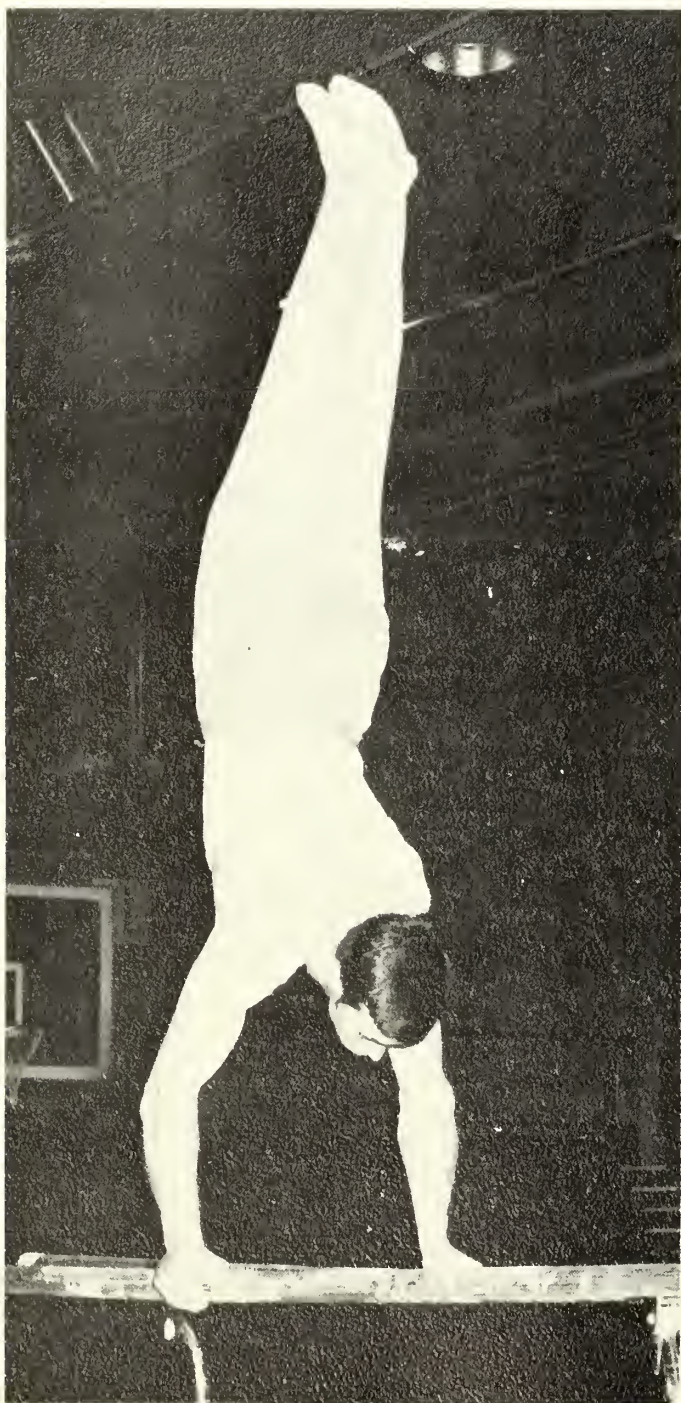

The SLC title marked Arkansas State's third in only six years competition.

Gymnastics Sweeps UALR

In its first intercollegiate competition at UALR the members of the ASU gymnastics team managed to place first a total of eight times. The high placers for the girls squad were Beeky Hulme with one first and Anita Frazier with two. On the mens' squad Diek Bolton scored two first places, Maekie Hawkins one and Howard Hulen two.

Hill Gains World Acclaim

Thomas Hill returned home to ASU with international acclaim as the world's best 120-yard high hurdler.

The Arkansas State University athlete completed a European tour with five victories in six attempts, finishing second once to Colorado's Markus Walker. Even more impressive, and perhaps the clincher as far as Hill's achievement as the world's top hurdler, was his double victory over Olympic champion Willie Davenport. Hill beat Davenport at Oslo, Norway, and at Cologne, Germany. It was his third straight win over Davenport although the Olympic champ had beaten Hill three straight times.

Hill has ran 13.5 or better six times, peaking at the USTFF meet in Wichita, Kan., where he tied the world record of 13.2, and set or tied eight track records including the world record tie.

He also became the first man ever to run the 120-yard high hurdles in 13.1, which would have been a world record had it not been for excessive wind.

Golf Has Bad Season

The Indian linksters tripped during the 1970 season and wound up on the bottom of the pile in the Southland Conference standings.

Closing their regular season with a 7-6 record, the Indians traveled to Abilene, Tex., for the Southland Conference festival.

The Tribe was fresh from a triangular victory over Southwest Missouri and Southwestern of Memphis, Tenn., that gave it a 2-0 stand in that category. The fates dealt the linksters a crushing blow in the festival, however, and the cellar position was all that was left.

Sophomore Louis Nisenbaum (above right) chips to the green while senior Mike Stropp (right) tees off and (below) putts for birdie.

Tennis Gets New Coach

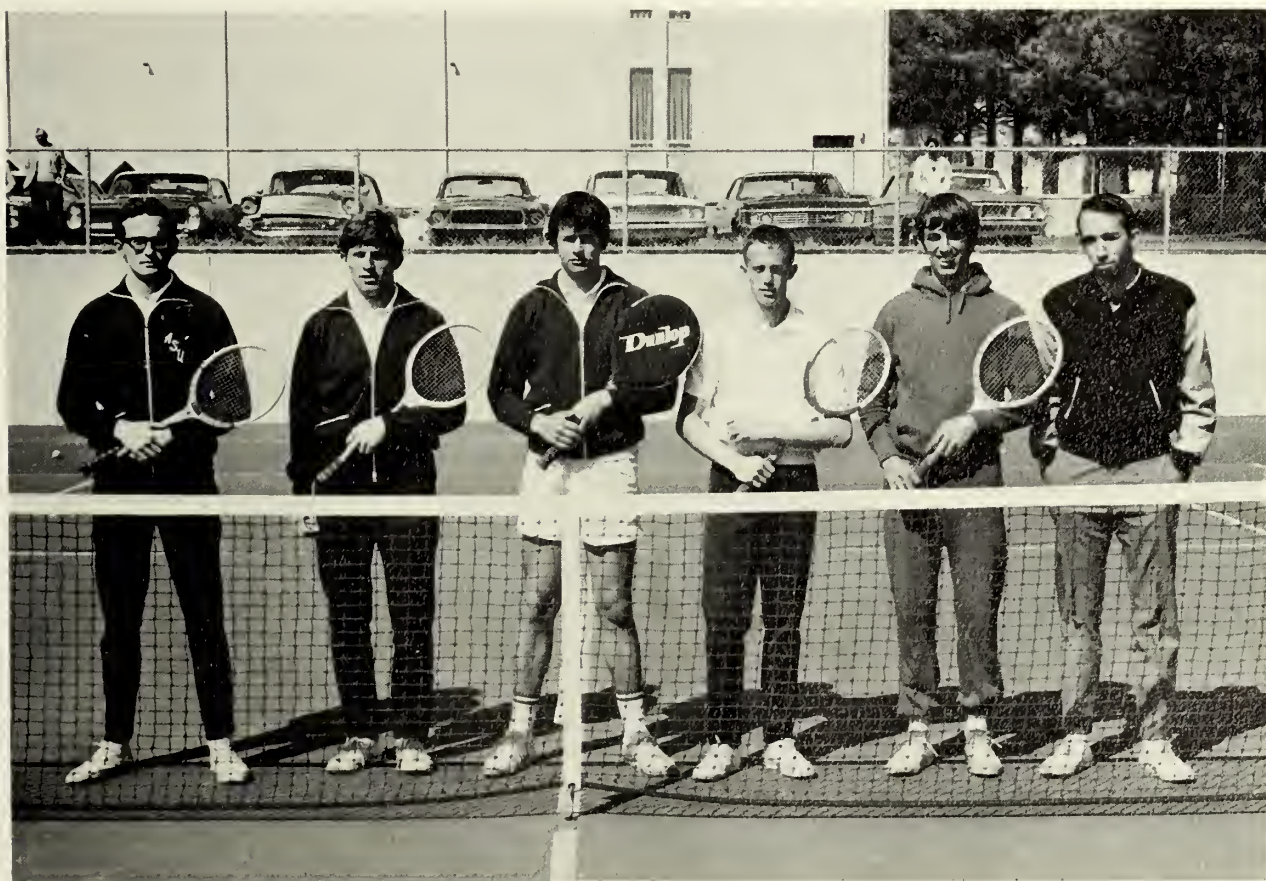

When new tennis coach Don Greenwell took over at the helm for the Indian net crew, he expressed visions of rising from the gutter position in the Southland Conference. Though his aspirations toward a second place finish fell short, the Tribe did complete the 1970 season with its finest season yet.

Amassing a 12-6 overall record as a team, the netters posted a tie for fourth place in the SLC race. The Tribe's No. 2 player, Bret Baker, finished with a superior record of 11-4 in singles competition and teamed with Junior College transfer Monty Rainey for an 11-3 finish in doubles play.

Senior Richard Brooks displays form.

(Left to right) Monty Rainey, Paul Balducci, Richard Brooks, Art Wilson, Bret Baker and Coach Don Greenwell.

Harriers Take 2nd In SLC

Senior harrier Bob Gray started ten races during the cross-country season and finished ahead of the pack seven times. He paced the ASU distance men to a 5-1 record in dual meets. He was also instrumental in the Tribe placing second in the SLC and fifth in the NCAA Region Six meet.

The Indians, in one of their finest seasons in many years, had only one other senior in Billy Bell. Bell's consistency in the meets proved to be one of the deciding factors in the harriers' success as did the performances of junior Mike Holt.

Junior Willie Davidson and freshmen Jim Bailey, Dave Tackett and John Scurto added depth to the team.

ASU opened its season in the Harding Invitational at Searey, placing second out of nine teams entered. Then, in consecutive dual meets with Memphis State, Murray State and Lamar Tech, the thinclads grabbed three wins before suffering their first and only loss of the season to Southeast Missouri. Going on to Memphis State and Ole Miss, the harriers took five of the first seven finishing spots in each meet.

Davidson To Be Head Coach

Bill Davidson, former offensive line coach under Bennie Ellender, was named head coach of the Arkansas State University football Indians.

Davidson's appointment was formally announced at a press conference held Dec. 29. Another ASU assistant coach was named by Dr. Reng to a promotion. Bill Templeton formerly in charge of the offensive backfield, was appointed assistant head coach. They were backed by the full confidence of Reng.

Shortly after taking the job over as head Indian, Davidson hired Clinton Gore and Sammy Weir. Gore was named as defensive secondary coach while Weir will work with the Tribe's split receivers.

A third assistant coaching position was filled by Mike Malham of Little Rock McClellan.

Attesting to his capabilities as an offensive line coach, the Indians have shown steady improvement in this category since Davidson took the reins. He has produced four All-American linemen in the past two seasons.

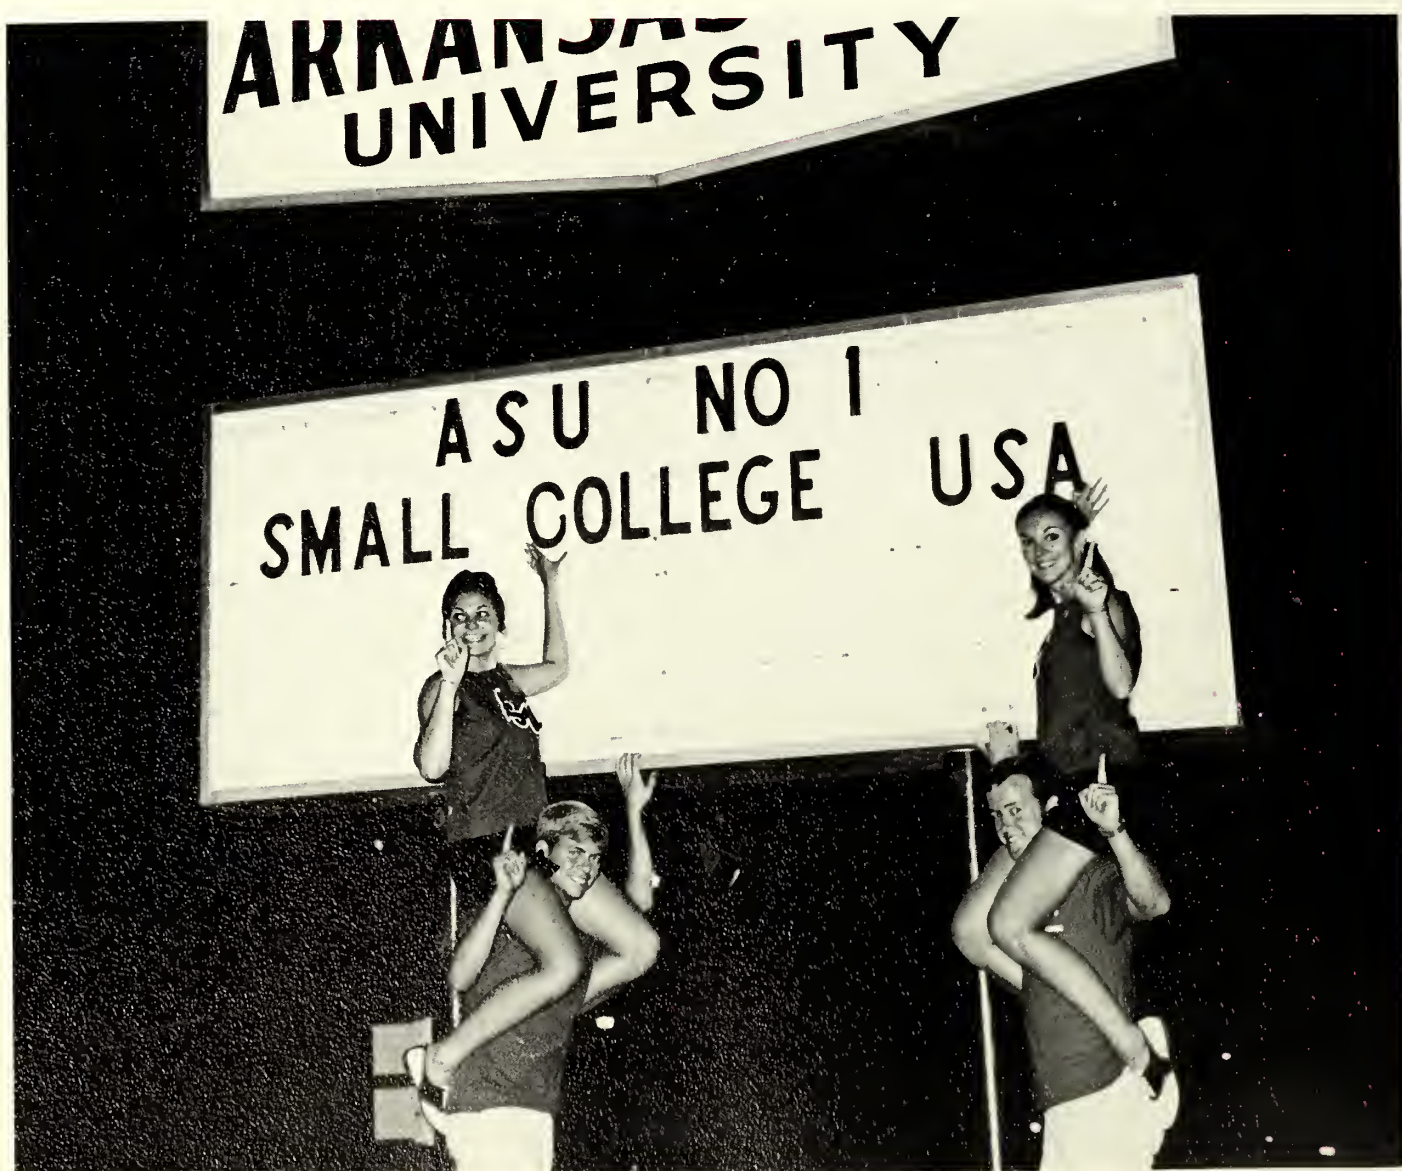

A 1956 graduate of ASU, Davidson was a standout on the Indian football crew. A remarkable feature that deserves attention is the fact that Davidson did not play football until he came to Arkansas State and began his college athletic career.

Davidson talks things over with Templeton (above) and with fans (below).

THE TRIBE

Arkansas State University's Indians marched to an unprecedented National College Division Championship while enroute to the first undefeated-untied football season in the school's history.

On January 9, the Touchdown Club of Washington followed the trend already established by the Associated Press and United Press International to make the Indians the consensus choice for the top position among the college division teams of the nation.

The Tribe stretched its unbeaten string to 19 games and collected its third consecutive Southland Conference championship. The Indians were also invited to the Pecan Bowl in Arlington, Tex., for the third straight season where they downed Central Missouri State College 38-21 before a regional television audience.

The American Football Coaches Association named Tribe mentor Bennie Ellender as National College Division Coach of the year.

Five of Ellender's prize pupils were named to All-American honors. Offensive guard Bill Phillips was named to the first team squad while defensive halfback Dennis Meyer and halfback Calvin Harrell were named to the second team. Named as Honorable Mention Little All-Americans were linebacker Gary Cleve and offensive guard Wayne Dorton.

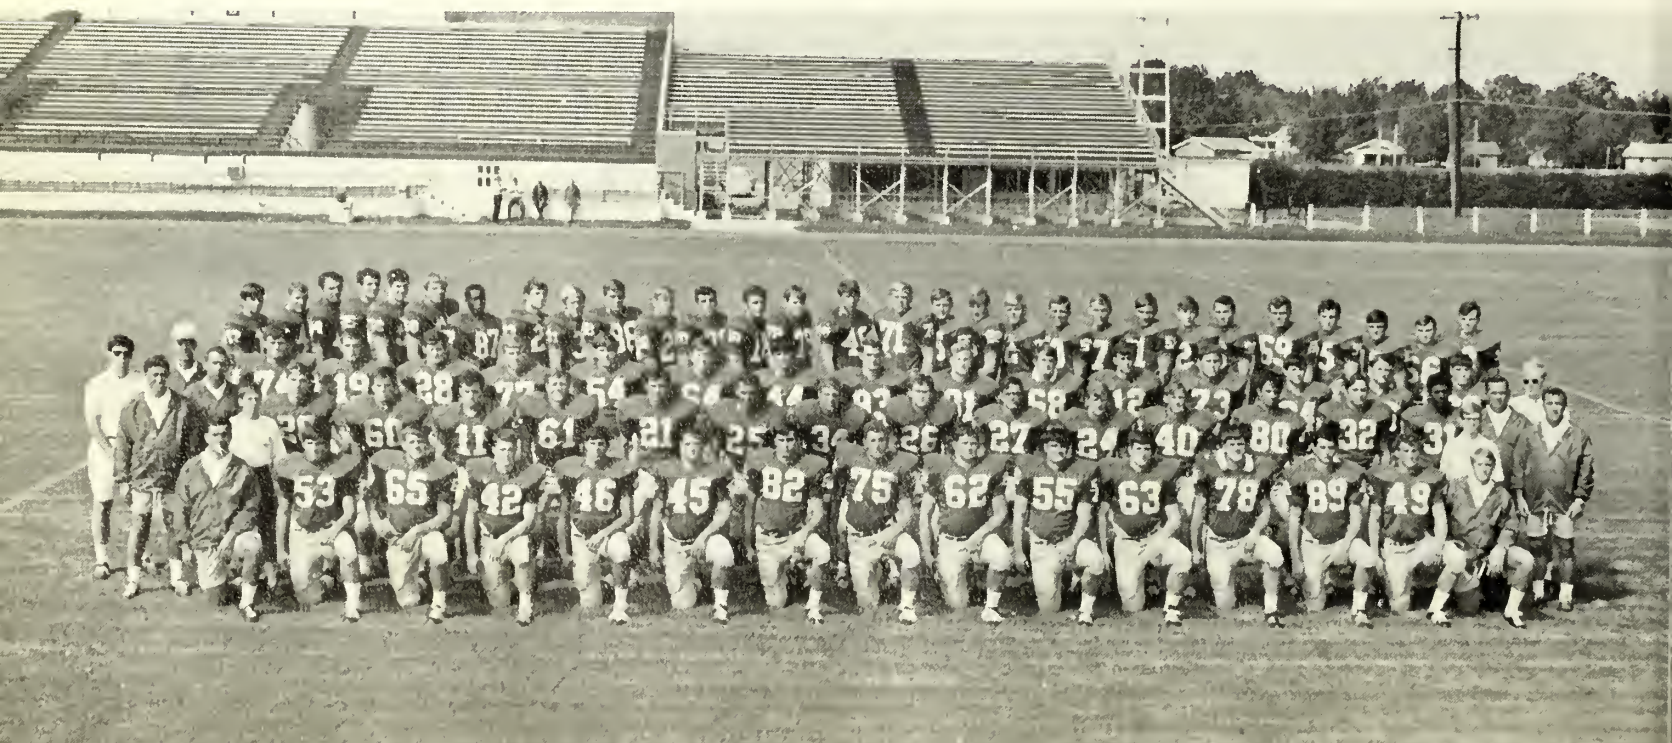

Honors for the national champs came in bundles as might be illustrated by the massive number of Indians to be named All-SLC. There were 23 to be exact, or the entire first team, plus the kicking specialist.

Halfback Dennis Meyer was honored as the Southland Conference defensive player of the year and was also chosen the outstanding defensive gridder in the Pecan Bowl. Tribe quarterback James Hamilton was named Meyer's offensive counterpart in that game.

Many records were set or tied by the 1970 Indians,

some more than once, but whether or not these records will stand for long is indeed a question. The Tribe will return all but five of this year's team for the 1971 season. Only two of those five were starters. Next year could again be the "Year of the Indian" in Arkansas.

The Leader The Coach

After compiling the best won-loss record of any football coach in Arkansas State University history, Bennie Ellender resigned his position as head coach of the Indians to return to his alma mater as head football coach at Tulane University in New Orleans, La., on Christmas Eve.

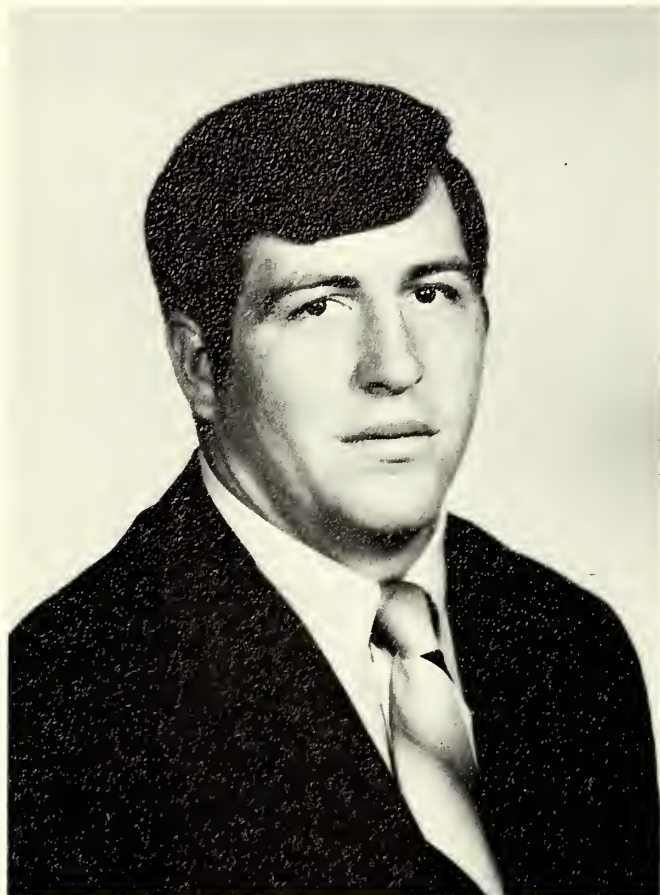

Ellender, who led the Indians to an 11-0 season and the Tribe's first national college division title this year, left his post as head Indian after negotiating with Tulane officials for about a week. Ellender officially accepted the position as head coach of the Green Wave on Dec. 24.

During his eight year stay at A-State, Ellender established a 52-20-4 record, unequaled by any other Tribe coach. In addition, under Ellender's control, the Indians have appeared three times in the Pecan Bowl, the NCAA's Midwestern Regional Championship game.

After accepting the Tulane offer, Ellender remarked, "It's with great remorse that I leave Arkansas State." He further added, "ASU is a place that I'll always call home."

ONE DOWN

Arkansas State invaded the Missouri Valley Conference for its 1970 gridiron debut and shocked the Wichita State Wheatshockers with a 53-point scoring performance that amazed the football world and put the Indians in the number one spot in both the AP and UPI college division polls.

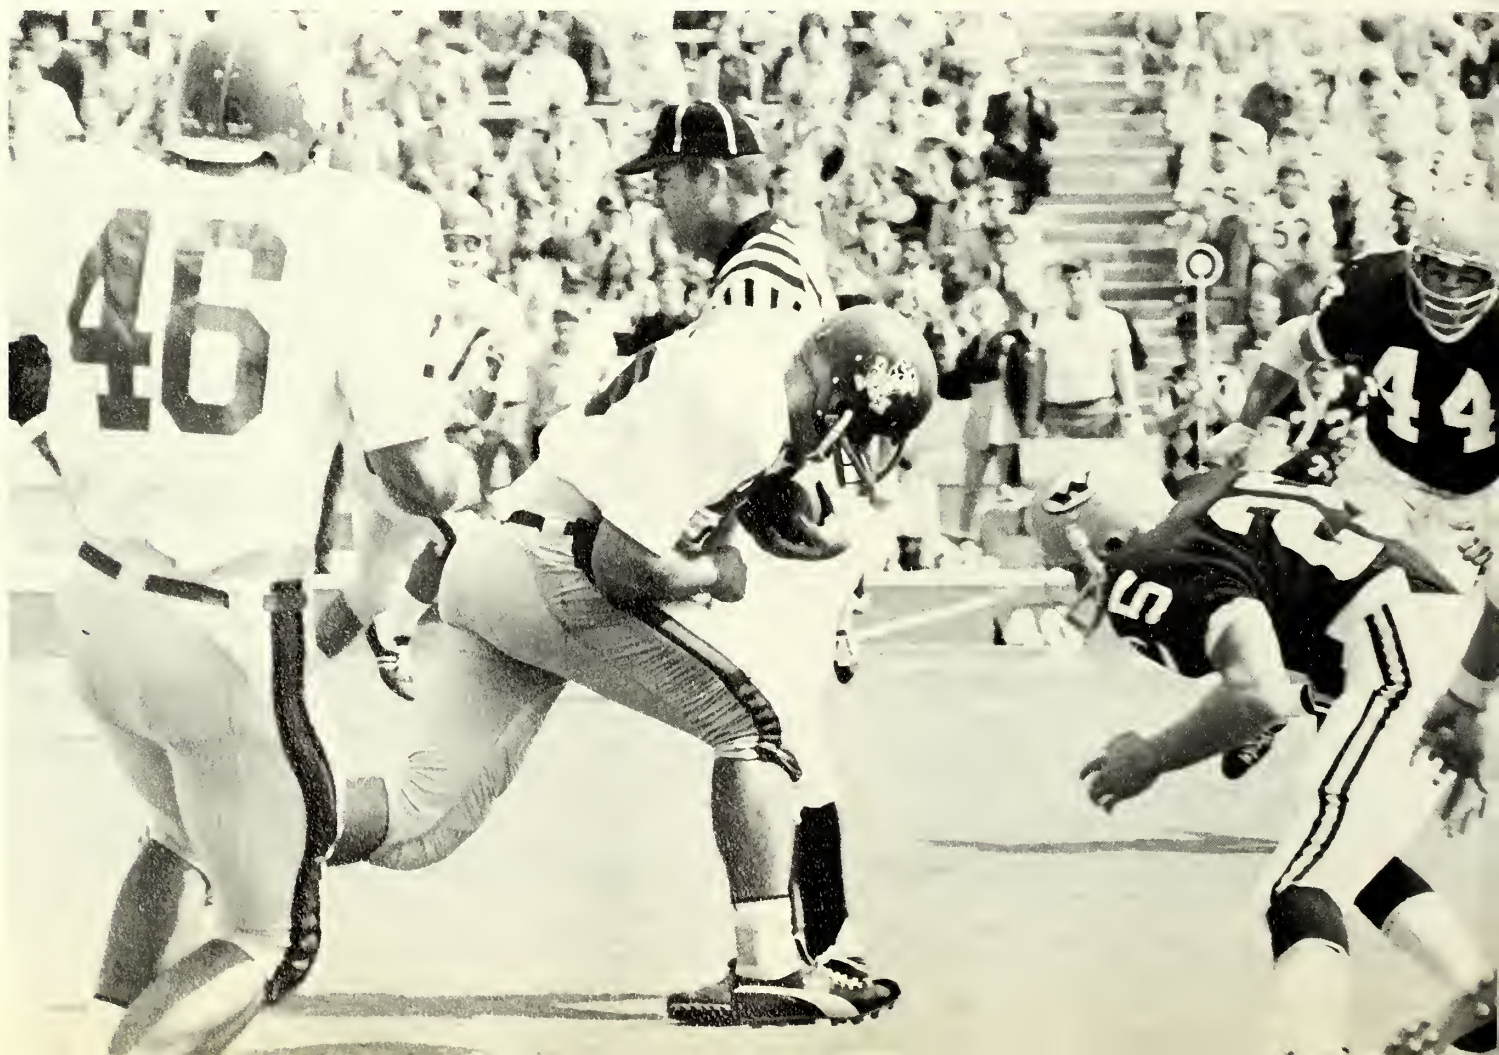

A young Indian defense was forced to age quickly when the Tribe fumbled the opening kickoff on their own 21 with the Wheatshockers recovering. A forced fumble by the Tribe defense gave Arkansas State the ball at the 11 with their backs to the wall.

Unable to get out of the danger zone, the Tribe gave up the pigskin on a punt that Wichita State turned into the first touchdown of the game. But that was the end of the show for Shockers. It was not until late in the fourth and final quarter that Wichita could put their second touchdown on the board.

The Indians tied the score in the first quarter and with the arrival of the second period came history in the making. The Tribe jumped at opportunity's knock and the Shockers found themselves fighting for their lives. Four touchdowns and two field goals later, the first half ended with Arkansas State holding a 40-7 advantage.

Calvin Harrell (above) and Marshall Walls (below) show the form used to annihilate Wichita State.

Jack Ross finds he has all the time in the world to throw.

Jeff Sackett (left) tries the middle while James Hamilton (above) skirts around end.

Harrell dives over for another Indian six-pointer.

Sweet Revenge In Little Rock

Then, "back home" for the annual game in Little Rock's War Memorial Stadium, after defeating SE Louisiana 12-3, the Indians went hunting for their third straight win and found it.

Football fans from Northeast Arkansas turned out in force to the tune of 16,000 to watch the Tribe drop the Bulldogs of the Citadel 24-7 in the capital city.

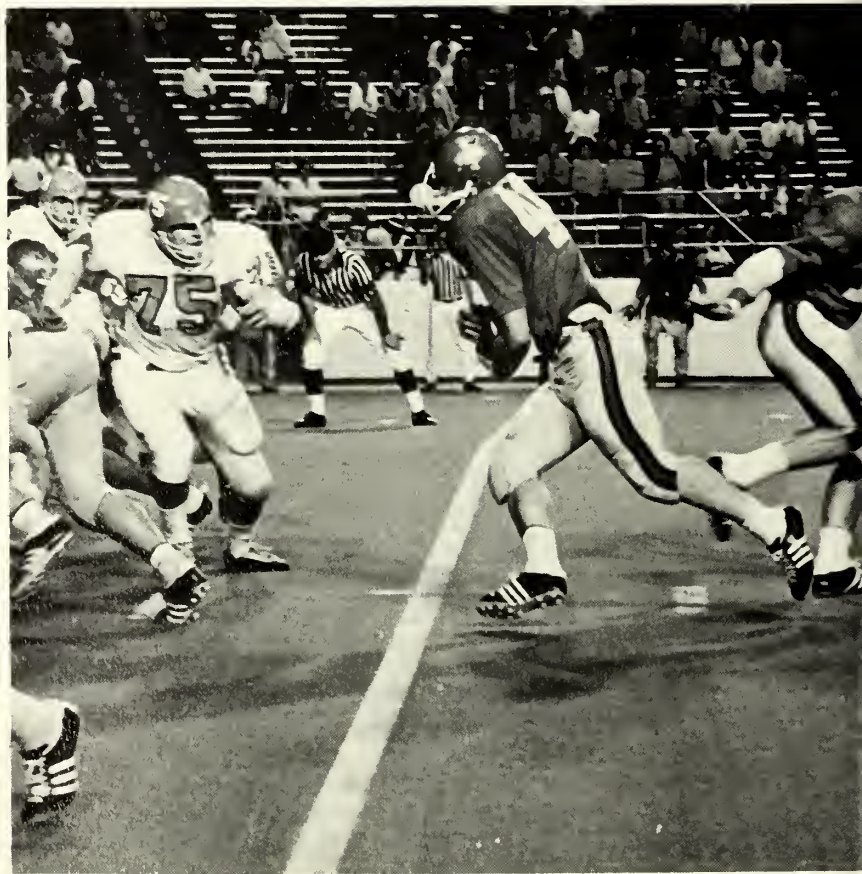

Calvin Harrell delighted the masses as he rushed for 252 yards on 43 carries to establish a new school record for the most yards rushing in a single game.

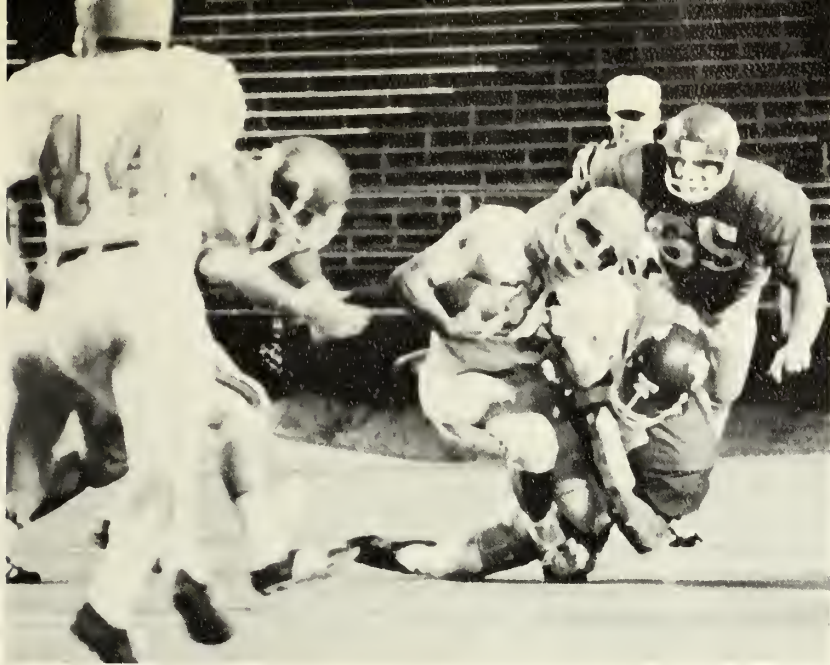

Head coach for the Bulldogs, Jim "Red" Parker then spoke the great prophesy that was later fulfilled: "I don't think anyone will beat them this year. Bennie Ellender has done a tremendous job."

Maybe it was just because the Indians had handed the Bulldogs a loss that Parker attempted to make the Tribe look fantastic. Whatever the reason, Parker was correct.

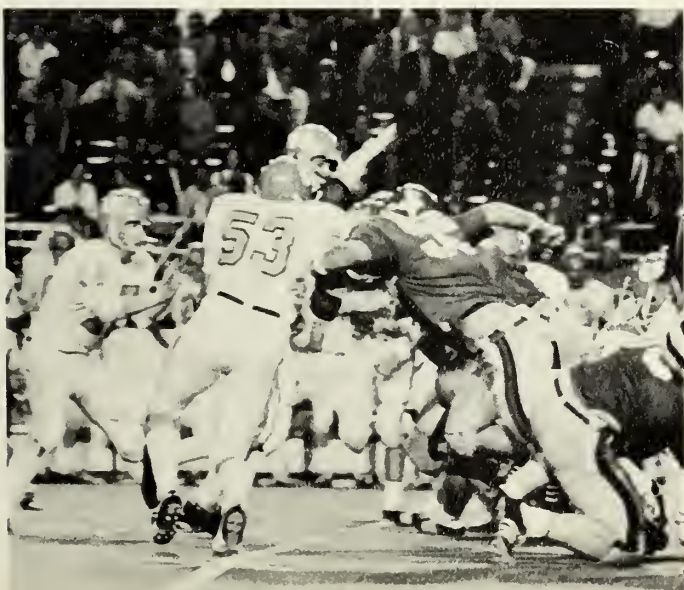

The Indians were running in all directions against The Citadel in ASU's 24-7 win in War Memorial Stadium.

Not a Bulldog went untouched as the Tribe defenders tackled anyone that moved and then looked for the football among the bodies.

A-State Rambles On—And On.

Then along came Trinity and the upset-minded Tigers. To say the least, Trinity scared the top ranked Indians and started a fad that caught on with every team the Tribe faced throughout the year, knock off number one. The fad may have caught on, but no one succeeded.

Trinity probably came closer than anyone to beating the Indians, other than Abilene Christian that is, when they held Arkansas State to a 21-14 victory. Freshman Kearney Blalack had a big hand in the win when he took the opening kickoff and rambled 95 yards for the touchdown. For Blalack to accomplish this feat his freshman year would have been astounding enough. But, it was the first time the Newport product had touched a pig-skin in college football.

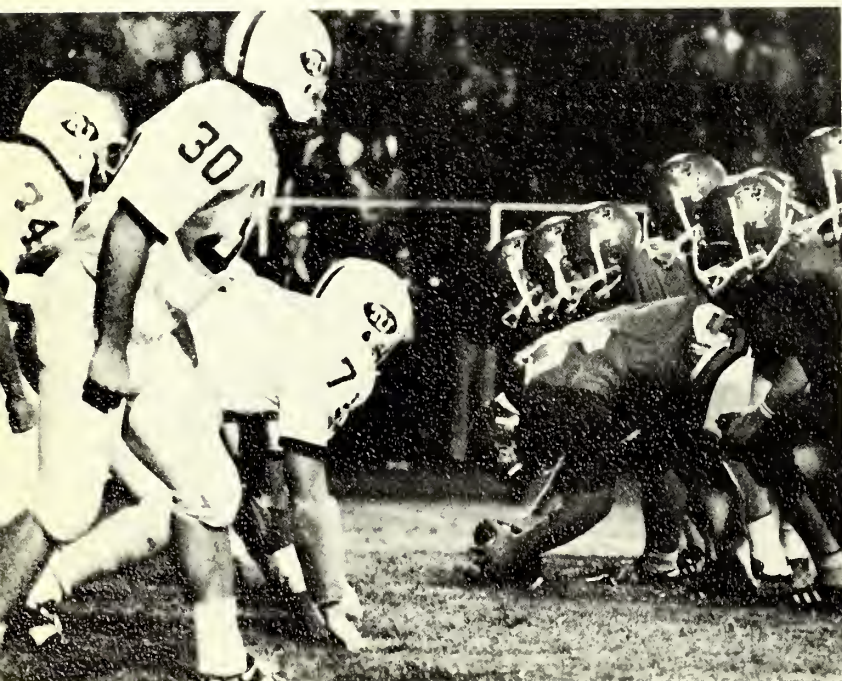

Another big score came when Johnnie Carr, coming in for injured Calvin Harrell, lofted an option pass to Chet Douthit that covered 74 yards and accounted for the Tribe's second touchdown.

A hardnosed defense then went to work and stopped the Tigers for the duration.

"My mother won't appreciate this, you know."

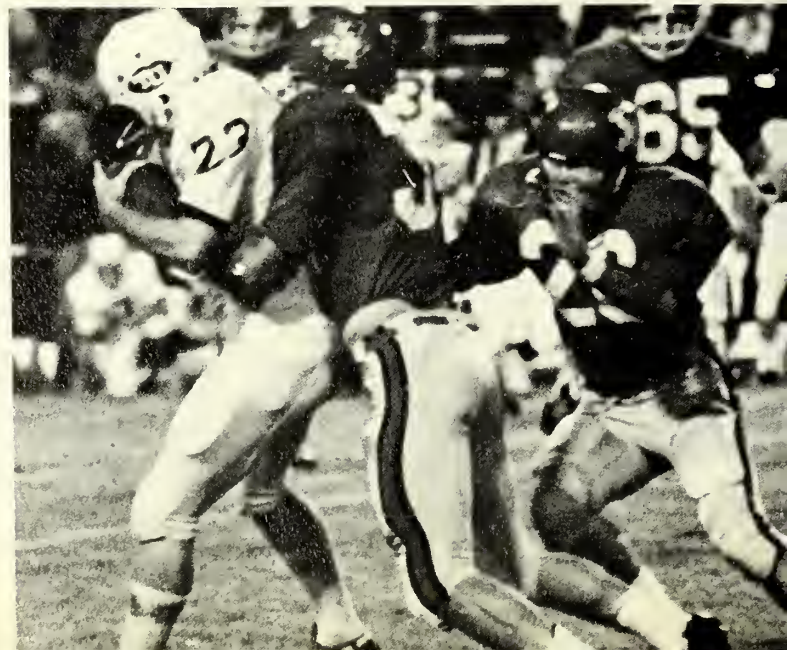

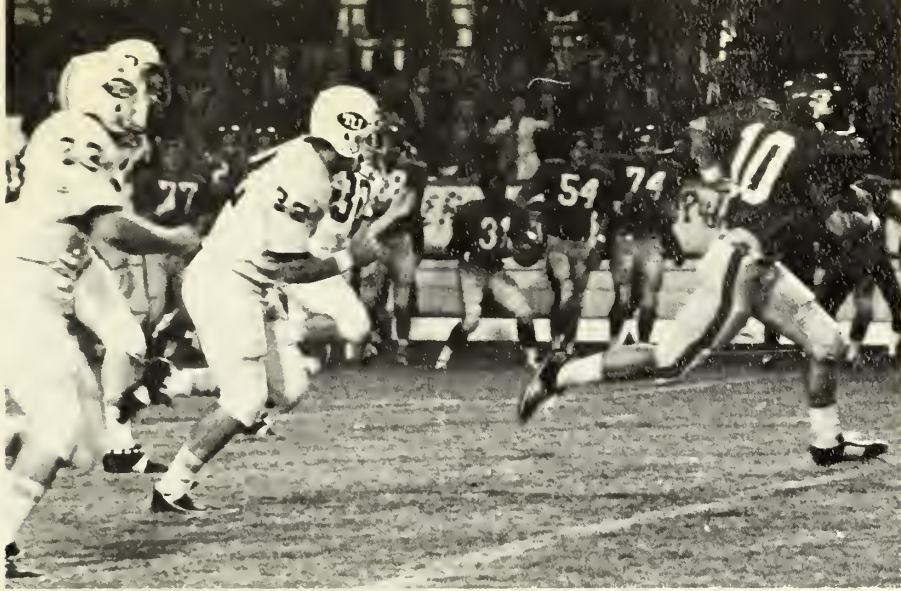

Johnnie Carr leaps Jeff Sackett and heads for running room.

The "Big Red Machine" forms its impenetrable wall.

A Tiger finds himself gift-wrapped and delivered to the converging Tribe defense.

Kearney Blalack uses his great speed to score on a 95-yard kickoff return the first time touched the ball in college play.

Indians converge to cover a Tiger in Red as most of the team gets in on the act.

Hamilton keeps for yardage while the Tiger defense is putdown for the count.

A-State Wins Again

Bad news struck when the Louisiana Tech Bulldogs invaded Kays Stadium. Marshall Walls was injured early in the first quarter and Arkansas State was left with both its starting running backs injured. Calvin Harrell had been injured late in the Trinity game and was unable to play.

Thus the Tribe went airborne. James Hamilton responded by connecting on 19 of 35 passes for 293 yards and four touchdowns.

Hamilton's four TD passes equalled the record for the most touchdown tosses in a game. He had tied the record earlier against Drake in 1968.

The passing game paid off very well for the Indians and despite being held to 108 yards rushing, they flew to a 38-17 victory over the stubborn dogs.

For Arkansas State the win was the fifth in a row and the best was yet to come.

The best came when the Indians edged by Abilene Christian 28-23 and all but cinched the SLC title. It was the second year in a row that the Tribe faced the ACC Wildcats and blasted them in the big SLC "shootout."

Harrell (right) is seen consoling a Bulldog as he crosses the goal line while Terry Whiting (below) upsets Tech even more by intercepting a pass.

The Indians have two effective tailbacks. Harrell (left) runs with bone-jarring power and Carr (below) uses his speed.

"He's a little too big, time to run"

"Don't forget the party's at ROY'S"

“LAMAR—Another Victim”

The good times returned along with Lamar Tech the following weekend and the nation's finest got back into form. The game was over from the start as the saying goes. But who would have known that from the way the game began. The Cardinals pounced on an Indian fumble at the 14 on the first play of the game and took it on in for the score.

Then the fun began for the Tribe as they drove the scorekeeper and statisticians crazy with their offensive efforts. When the smoke and dust had finally cleared, the Indians were sporting a 69-7 win and had clinched at least a share of the Southland Conference crown.

Valuable experience was given the second team as they played most of the third and all of the fourth quarter, scoring two touchdowns and allowing none.

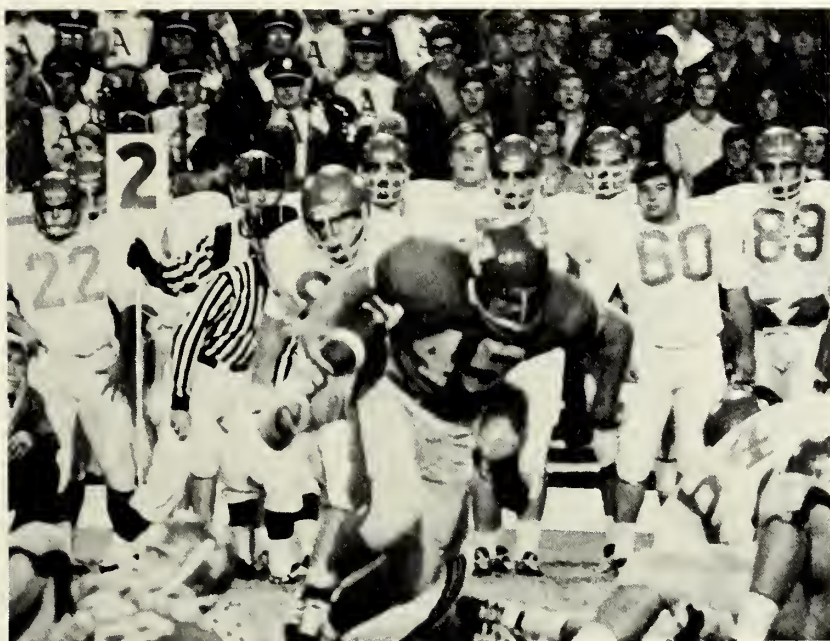

David Mitchell (above) evades a Cardinal as he puts forth his best effort in State's 69-7 romp. Hamilton (below) has a field day against Tech and on this play keeps it himself.

Chet Douthit has his pass reception and the foot race is on.

Walls bullies the Cardinal defense into submission.

A No. 1 Homecoming

The masses converged on Jonesboro for Homecoming Arkansas State style. They were not disappointed. Arkansas State and the University of North Dakota locked horns and fought it out right down to the wire.

Two fumble recoveries and an interception by the Fighting Sioux in the fourth quarter helped them to keep the pressure on the Tribe. The young Indian defense rose to the occasion, however, and held the Sioux scoreless during that period except for a lone touchdown resulting from a drive that began in the third quarter.

Leading by as much as 20-0 in the first half, not many of the partisan Homecoming crowd expected the Sioux to make a close game of it. They did finally get on the board, though, with 7:38 remaining in the half via a field goal. Then with seven seconds left, they scored their first touchdown of the half to make it 20-10.

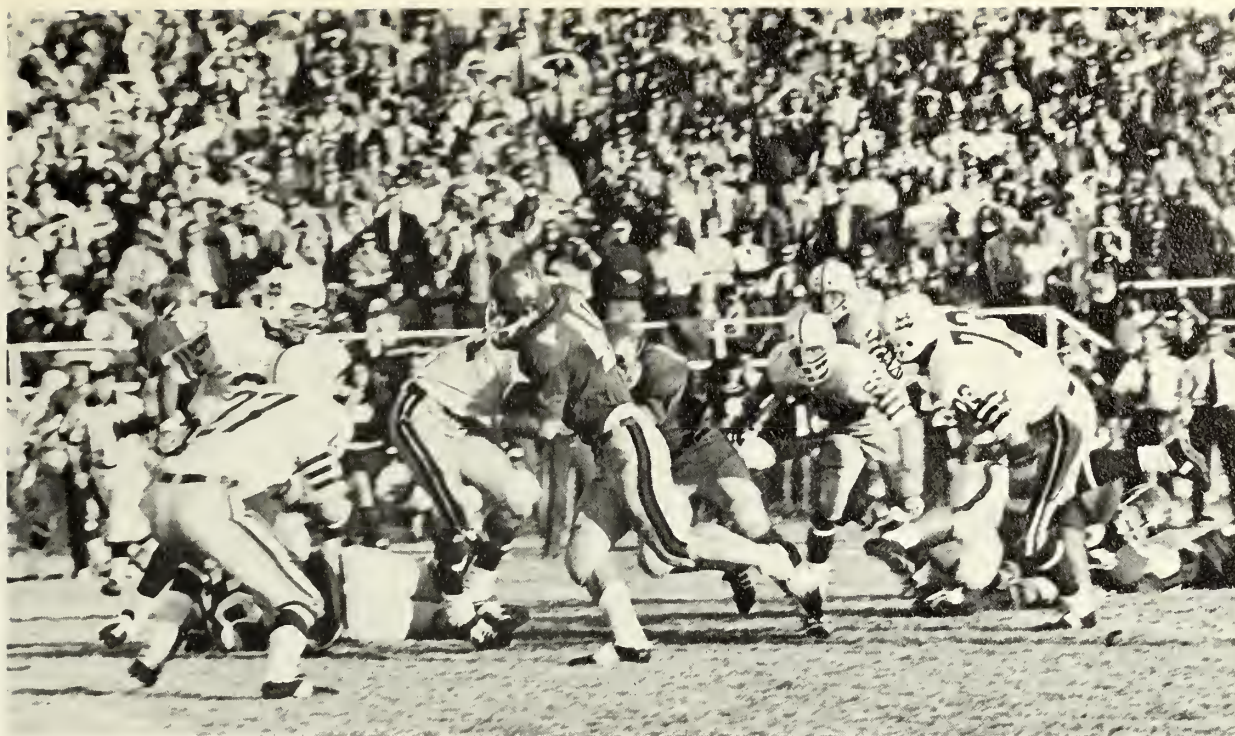

A-State moved out quickly in the second half on a field goal by Gentry. Later Johnnie Carr was captured in the end zone for a safety and the Sioux added another touchdown, their last, following that feat. The defense then stiffened to preserve the win.

Steve Lockhart hangs on to a Hamilton pass despite contact with a Fighting Sioux.

Mitchell is swarmed by the Sioux but keeps driving for extra yardage.

Hamilton (above left) hands off to Mitchell while Douthit (above) out races another opponent.

SIU, Another ASU Victory

ASU clinched the SLC title with a 27-7 win over UT-Arlington in Turnpike Stadium, which was colder than hell, and then some.

Southern Illinois University quickly found out why one wire service ranked Arkansas State University as the nation's No. 1 college division team and through their loss to the Tribe aided in putting the Big Red Machine in the number one slot of the other wire service.

The Indians tromped over the Salukis 27-3 and registered the first perfect season in the history of the University.

At the same game, nation-wide interest was quickly aroused toward Arkansas State when the American Broadcasting Company filmed highlights of the game and broadcast them nation-wide as a segment of the NCAA College Football Today program. Many viewers discovered for the first time that there was another university in Arkansas.

Yes, it was a great year for the Indians and one that will never be forgotten. Number One in the SLC, Number One in the USA. Not bad for poor country boys trying to make good.

The Crowning Victory—1970

Despite a small crowd, incomplete construction and an opponent that was of little notoriety, other than possessing a decent 9-1 record, the Pecan Bowl at Arlington, Tex., was still lauded as a success for the Arkansas State gridders.

The Indians, ranked first in the final AP and UPI polls, dumped the Central Missouri State College Mules 38-21 to complete the first undefeated-untied season in the history of the school. Finishing 11-0 for the season, the Tribe extended its win streak to 14 and has now gone 19 games without a defeat, the only blemish being a 21-21 controversial tie with Drake in the 1969 Homecoming tilt.

A meager 9,500 fans watched the game that had the nation's finest going against a virtually unknown team of unranked Mules.

Indian quarterback James Hamilton, who led the Tribe to 509 yards total offense, and defensive back Dennis Meyer were named the bowl's offensive and defensive standouts respectively. Hamilton passed for 244 yards and three touchdowns while Meyer was picking off two Mule passes, one of which resulted in the first Tribe touchdown.

A regionally televised audience watched as the Indians ran the score to 38-7 and then ran in the scrubs. The Mules picked up their remaining scores in the fourth quarter but it was too little, too late.

Dennis Meyer shows why he was the outstanding defensive player in the Pecan Bowl and the SLC.

Season Opens With A Bang

Arkansas State began its cage season with an impressive 98-69 win over Southeastern Oklahoma. The Indians scored first and the only time they didn't lead was when the score was tied 7-7 four minutes deep in the first quarter. Allan Pruett scored an impressive 29 points while "Big John" Belcher had 22 points and 18 rebounds.

Pruett and Belcher combined for 49 points while leading the Tribe to an 81-72 victory over Tennessee Tech's Golden Eagles. The two teams played a nip and tuck game until the closing minutes when Tech put on a close man-to-man press and got into foul trouble.

South Alabama downed the Tribe 69-59. It was the Tribe's first road game and its first loss of the season and an omen of things to come. The ball control Jaguars held Pruett, A-State's all-conference guard, to only 12 points. Belcher tallied 19 points and pulled in 10 rebounds.

Southern Mississippi put a second loss on the Indians by an 80-75 score. Danny Sullivan tied the score at 69-69 with a last second shot in regulation play. In the five-minute overtime, USM scored 11 points to the Tribe's six, sending the Indians home with a 2-2 record.

Indians Take Two Big Ones

Previously unbeaten Oklahoma felt the warhawk of the Indian as Arkansas State utilized 33 and 24 point scoring performances by Pruett and Sullivan, respectively. The Tribe built up a 51-34 lead at halftime and then coasted in for the win. The Indians made it two in a row as they downed the Southeast Missouri Golden Bears a few days later. The Bears, falling 74-56, proved only slightly less durable than the Sooners, who toppled 88-73.

Steve Brooks had one of his better games as he picked up 23 points for the Tribe, but the Pan American Broncos took the game anyway, 94-83, to give the Indians another of many road losses.

The road got rougher for the Indians as revenge-minded Tennessee Tech put together a tough defense and pasted Arkansas State with an 85-69 loss, again on the road. The Tribe moved to within two points of the Eagles with 15 minutes left, but Tech broke loose and couldn't be caught. Pruett kept plugging with 31 points in the game.

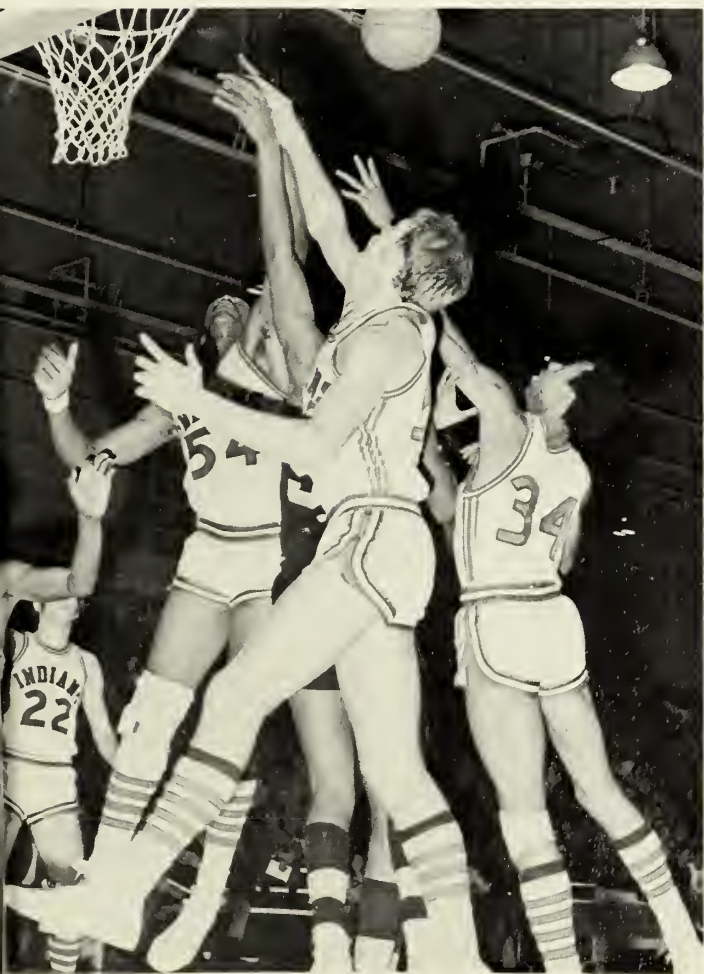

A rescheduled meeting between Arkansas State and Virginia Commonwealth gave the Indians a much-needed 94-86 win. Brooks and Belcher combined for 52 points to give the Tribe its seventh win without a loss in the friendly confines of Indian Field House.

Tribe Sets Scoring Record

The Tribe set a single game school scoring record while defeating Southeastern Missouri 116-77. ASU hit an amazing 60 per cent from the floor and 77 per cent from the foul line. Belcher led the Indians with 25 points and 14 rebounds while four other Tribesmen scored in double figures.

After the SEMo win, A-State dropped two on the road to Wichita State (73-68) and Oklahoma State (65-60). Pruett led the scoring against Wichita in a hard fought battle. Against the Cowboys of OSU the Tribe led at halftime but fell behind in the second half.

Lamar Tech kept the score close for the first few minutes of the game but the Indians broke loose, defeating Tech 89-69. Pruett and Brooks led the Indians in the victory with 20 and 17 points respectively. Lamar scored first but soon fell behind the fast running Indians.

Tommy Smith (left) receives a little too much help in handling the ball as does John Belcher (below). Belcher (below left) finds himself all alone for a change and scores.

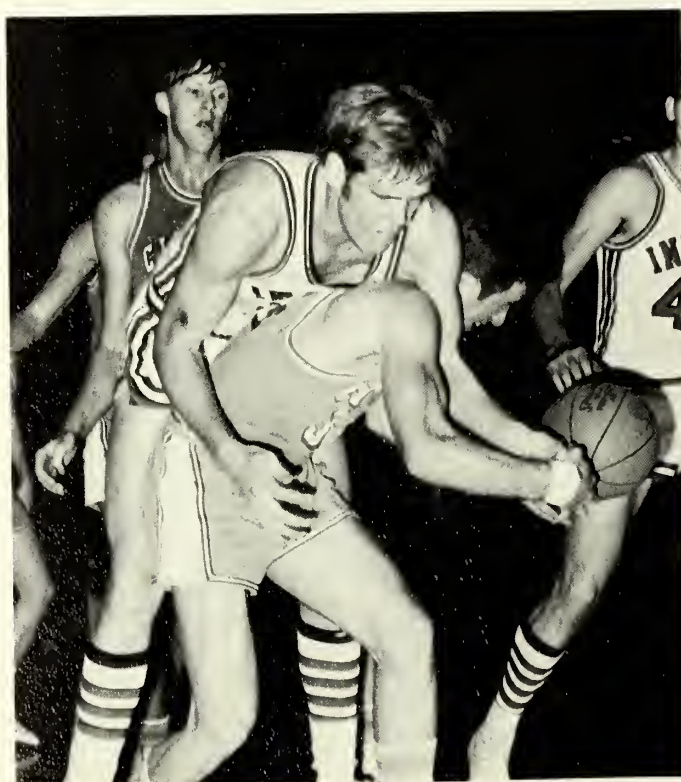

Tribe Takes Three In A Row

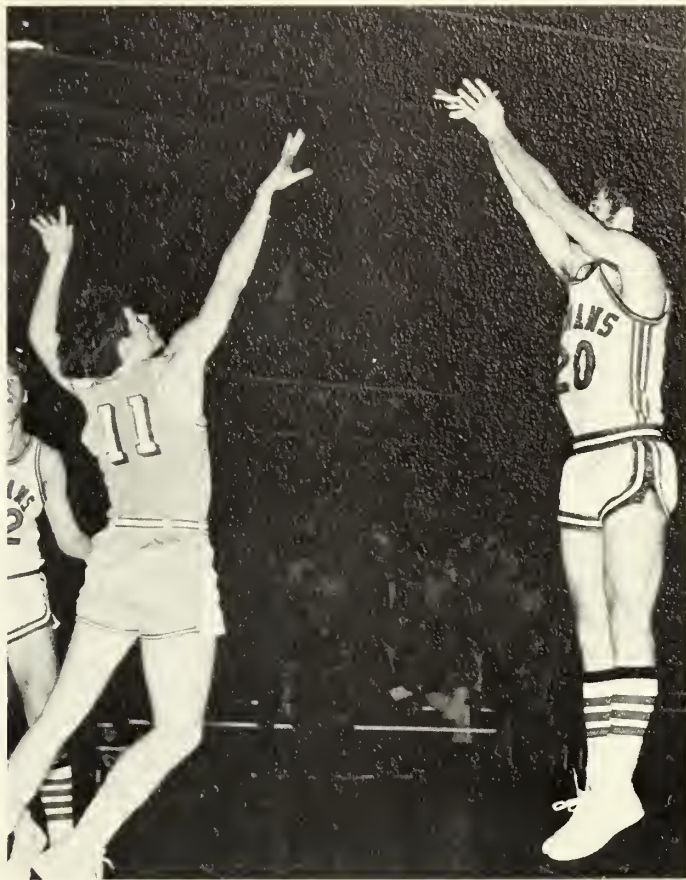

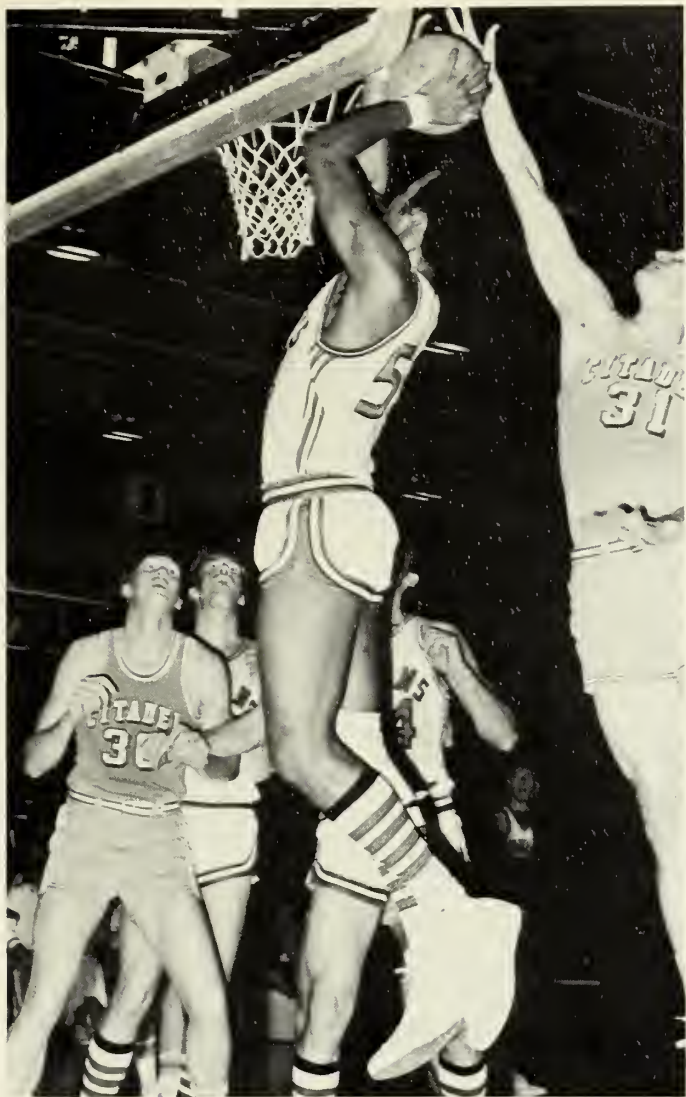

The Indians made it two in a row and 2-0 in SLC play when the Tigers of Trinity University invaded Indian Field House and were handed a 59-51 beating by the inhospitable Indians. Reversing from their usual fast-break game plan, the Indians settled down to a ball-control maneuver and proceeded to outlast the Tigers. Pruett and Brooks both hit in double-figures in the low scoring game with 19 and 13 points respectively.

A balanced scoring attack enabled the Tribe roundballers to best The Citadel, 74-60, in Indian Field House. Each team battled to keep the score close in what developed into a see-saw contest until the second half when the Indians built up a 65-43 lead. Belcher paced the Indians with 16 points and 16 rebounds with Pruett and Johnson following closely behind the big man with 14 points each.

Tribe Wins At Home, But

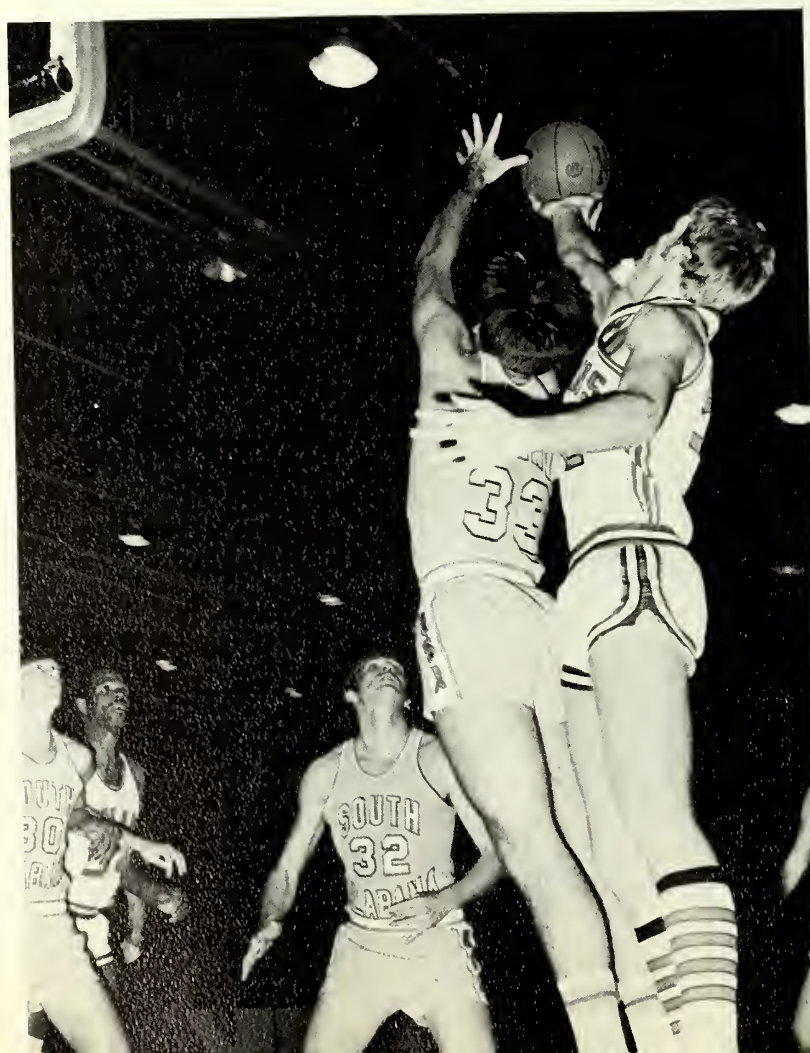

ASU continued its winning ways against Southwest Missouri, defeating the Missourians 89-62 in a game again dominated by A-State's big men. Taking their fifth straight, the Tribe made its record 10-6.

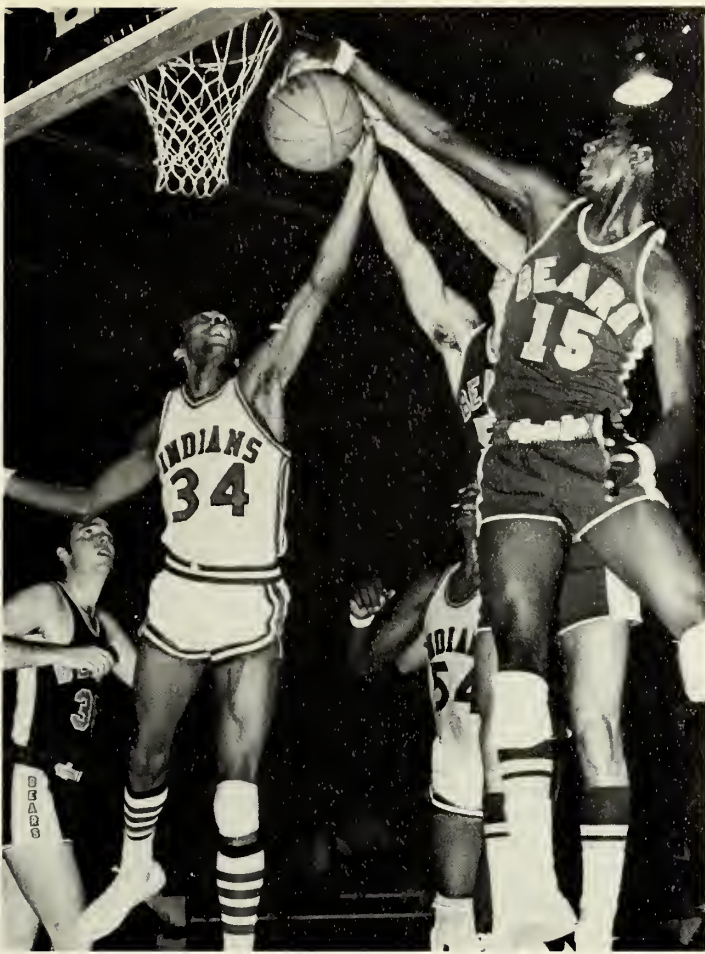

The Indians upset Abilene Christian, 81-75, on the road as they got back into league play, but found a first conference loss when the University of Texas at Arlington Rebels posted an 80-75 win to place the Tribe's conference mark at 3-1. Both were road games. Belcher had possibly the best defensive game of his career against Abilene and also tossed in 18 points.

A-State avenged an earlier defeat at the hands of the South Alabama Jaguars dropping them 76-59. The Tribe forced the Jaguars to speed up their deliberate stall-type offense. Following the pattern of losing on the road, the Indians fell to SEMo, 97-88.

Tribe Takes Conference Crown

Lamar Tech dropped the Tribe to 3-2 in SLC play with an 82-78 road victory. Despite battling to a 36-36 halftime knot, the Indians didn't make it.

The Southland Conference hopes of the Tribe got a big boost when the Indians bounced Trinity 55-53 for their second road victory in SLC play.

UTA's Rebels provided the Indians with their fifth win in the league as Brooks, Pruett and Belcher all hit in the 20-plus figures. Despite falling behind 10-3 in the early moments of the game, Tribe gunners finally found the distance and the Indians moved out to a 92-71 win. The Indians found great help from the "sixth man," a promotional gimmick that pointed out the fans' importance in supporting roles.

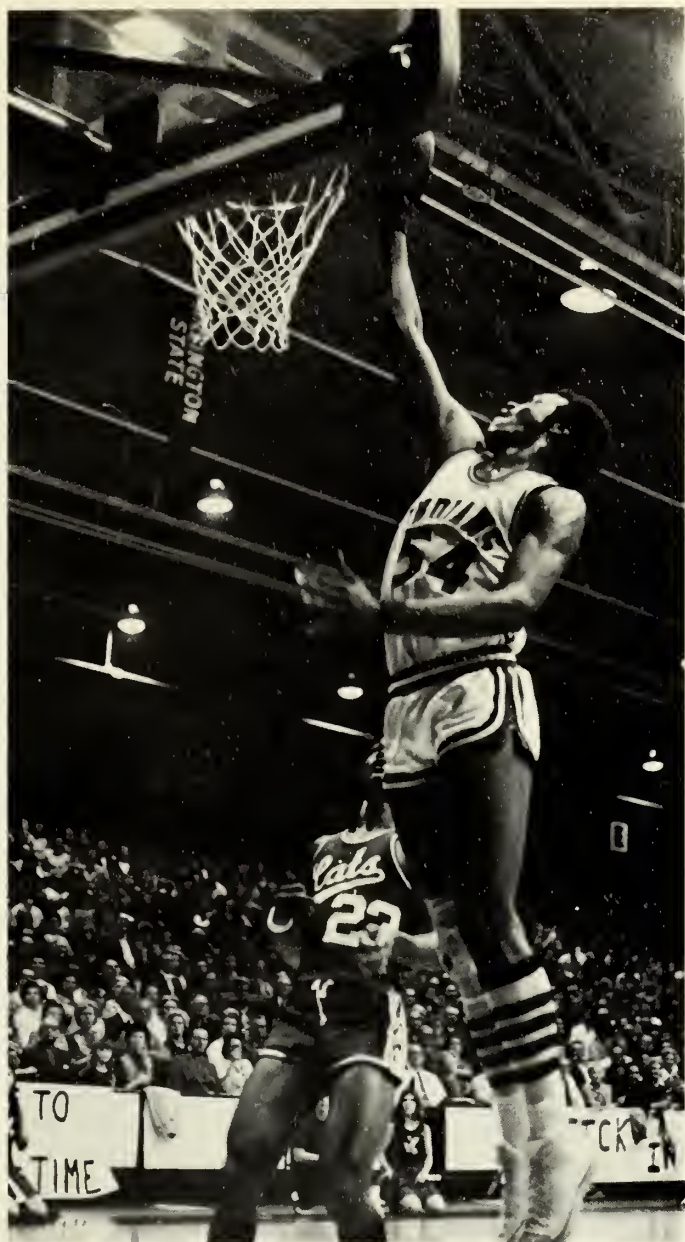

The final shootout of the season hit A-State like an epidemic of typhoid fever as students packed into Indian Field House to witness the SLC title bout. Abilene Christian and Arkansas State came into the contest with identical 5-2 SLC records. For both teams, it was do or die.

The Indians did the doing and the Wildcats did the dying. Belcher stuffed in 30 big points in leading the Tribe to a convincing 72-57 win over the only contender in the league. This gave the Tribe the SLC crown and seniors Allan Pruett and Ben Johnson a memorable parting from the ranks of the basketball Indians.

Tribe Takes Conference

Arkansas State won the 1971 Southland Conference basketball championship and Indian center John Belcher won the national field goal percentage title.

Belcher scored 30 points as the Indians downed Abilene Christian 72-57 for their first SLC title since 1967. The 6-9 junior from Hot Springs went into the contest with a .621 percentage, second in the nation, and emerged with a .633 mark.

Senior guard Allan Pruett captured the team scoring title with a 19.5 average. The deadly outside gunner also closed out his career as the second best free throw shooter in ASU history with a .868 mark.

Coach John Rose took over the program two years ago and slated a 15-9 record in his first try. While this year's team also charted a 15-9 course, it was significantly more pleasing because it included a championship and also was the Tribe's first year as a "major."

"We felt like we could have done better, but then I guess you can always look back and see how you could have improved," Rose noted. "We lose only two seniors off this club and we think we have some great talent coming up from our freshman team, so we certainly are looking forward to next year."

The Tribe's freshman team went 14-7, winning 13 of its last 15 games after getting off to a slow 1-5 start.

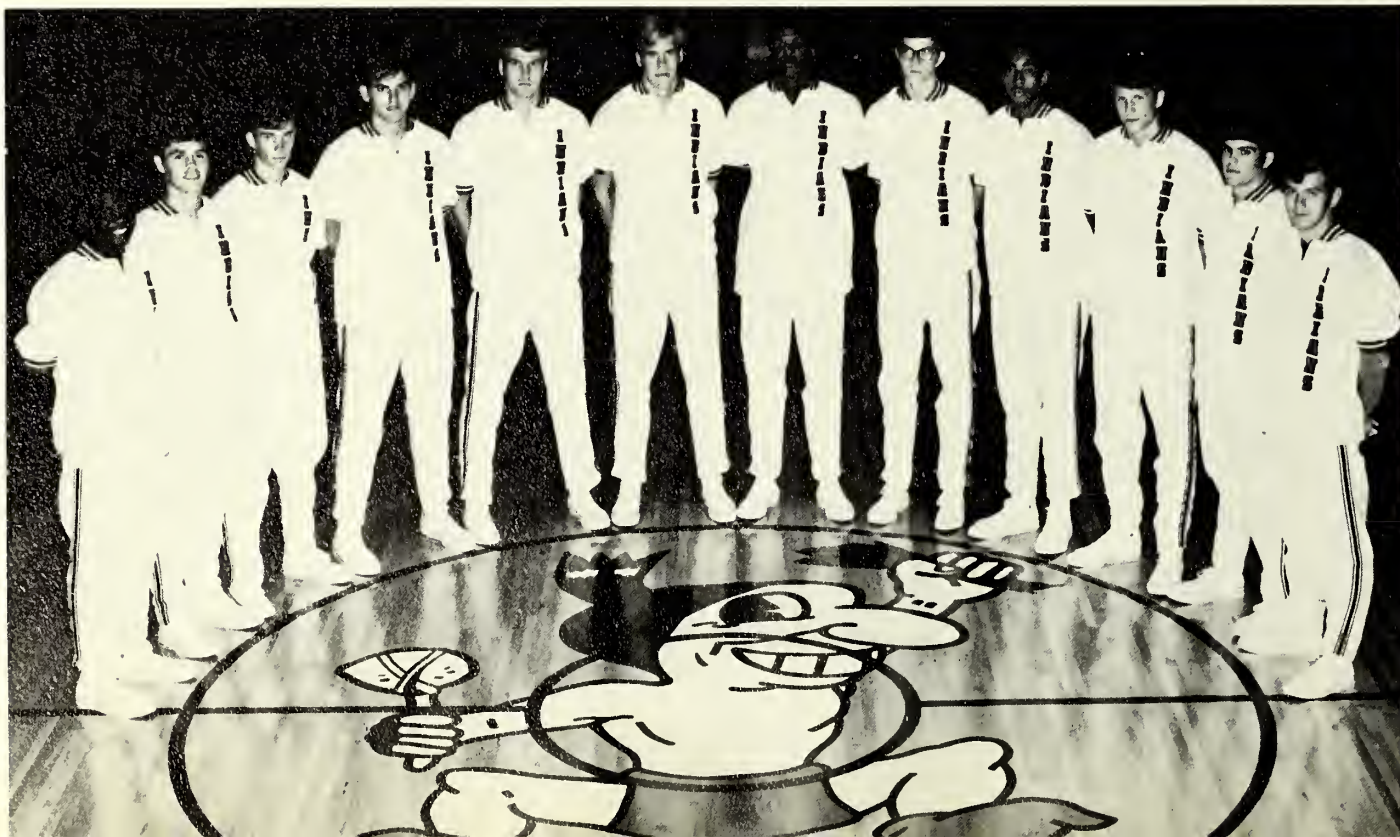

Belcher, soph forward Steve Brooks, guards Tommy Smith and Danny Sullivan and forward Rich Alexander, all of whom played important roles in the Tribe's championship drive, will be returning next season.

The Indians became the first school in the SLC to win football and basketball titles in the same year. The Indians also lead in the all-time standings of both sports and upped its margin in basketball to 40-24.

Rose Conducts SLC Champs

Coach John Rose, in only his second year as head basketball mentor, led his tribe of roundball Indians to an unprecedented Southland Conference championship despite a meager 15-9 season.

Rose, who came to Arkansas State nine years ago, took over the reins as track coach and gave that department a face-lifting extraordinaire. Rose was responsible for recruiting Thomas Hill, now famous as the world's greatest hurdler.

Rose took command of a sagging basketball program

two years ago and the Indians grabbed a tie for second in the SLC with a 15-9 season and 4-4 conference standing.

The Tribe fought to an identical 15-9 season this year under Rose's tutoring, but went 6-2 in SLC play including season ending wins over UT-Arlington and highly touted Abilene Christian. The ACC contest was a must win for the Indians as both were tied in SLC play.

Rose lost only two starters from this year's team setting the stage for possible SLC dominance next year.

March, 1971

When I came to this campus in September of 1968, I had never worked on an annual. I had some time to kill, so I started writing sports copy for the 1969 *Indian*, and the next thing I knew, I was assistant editor for the 1970 *Indian*, and scheduled to edit the 1971 edition. Since then I have learned many things, and I hope that how to edit an annual is one of them. I am in a rather unique position, in that I will be the first editor of this annual in about five years who will be spending another year in school after his annual has been published, so I suppose I will discover whether I accomplished that particular task from the reaction to this book.

The backbone of this annual, the two annuals I worked on previously, and I am sure for all the other annuals for which he has served as advisor, was Tom Manning, a constant source of inspiration for everyone on the staff. Tom was always able to cheer us up when things were rough with such gems as, "If you don't get it done on time, I'll kill you." Seriously, though, the book wouldn't get out without him, and I want to thank him for his help and for his indulgence of my antics during the year.

Marian Miller, the assistant editor, did a good job, all things considered, although I could find very little appreciation for her lollipops. Marian has some good ideas for next year's *Indian*, and since it's her choice, she can do whatever she wants, even if she wants to run pictures of the fraternity and sorority pins in the Greek section. (Ouch!). I do wish Marian luck for next year, especially since she'll be the first editor to have to cope with the new Publications Board. Should be interesting.

Layout editor Don Jones is a remarkably witty and objective person, two qualities which sometimes hide

the fact that he is crazy. Don didn't show up to work every week (who did?) and when he did show up he didn't work much, but apparently he did some work sometime, because he turned in a very good section and he turned it in on time, and that's what counts. He also doubled as a photographer during the second semester, and did some fine work in that capacity, too.

For the second straight year, Pam Mortimer put her talents to work on the class section, and although she was unduly influenced by a certain woman journalism instructor, who shall remain nameless here, the section looked good, and was finished ahead of schedule.

Copy editor Vicki Jo Givens and her staff took their time about getting their assignments, but when the 11th hour arrived for each deadline, they always came through.

Ron Hopkins managed to finish his sports section on time, even though he didn't always get the photos he wanted. Anyway, his running battle with the photographers provided the rest of us with laughs all year. When he wasn't busy getting murdered in the nameless journalism teacher's classroom, Robert Allen helped out on the sports section by writing copy and generally making a fool of himself; in other words, he was his natural self.

Our photography crew was not the most organized I have ever seen, but that was not entirely their fault, for they had to cope with a pretty difficult situation. Anyway, Tom Moore, Brent Griggs, Bill Sadler, Don Jones and Charlie Smith got the job done. That is, when they stopped bickering long enough to decide who was going to do the job. They should be even better next year, if they can learn a little administrative ability to go along with their photographic skills.

Now for some people who didn't physically contribute to the *Indian*, but who are still due my gratitude. First, the members of my family, who were understanding enough to put up with my infrequent visits home during the past two years. Also to my friends here at ASU (if I have any left) who tolerated my foul moods, nasty remarks and downright insolence on many occasions. Special thanks go to my fraternity brothers who had to live with me for the past few months, even after I declared war on the rest of the world a couple of times. And very special thanks go to someone very special who really had to put up with the worst in me, especially during the final weeks and days and hours of this last deadline, and to whom I owe a great deal, and plan to start repaying immediately.

It's been interesting working on this annual. I can't say I enjoyed every moment, but I can't say that about anything else I've done, either. It has helped me, and I'm not at all sorry I took the job. Now all I have left is to sit back and wait for the books to get here, settle down and start working for graduation, and worry about anything but making deadlines.

Tightening up a few loose screws after a long year.
